Your information

For details of how we and others will use your information and how to give your consent, please look for the padlock symbol below and in the associated Terms or contact 0870 909 3701*.

Credit reference agencies

We may obtain information about you from credit reference agencies and Group records to check your credit status and identity. The agencies will record our enquiries which may be seen by other companies who make their own credit enquiries. We may use credit scoring. Your application will be assessed using credit reference agency records relating to anyone with whom you have a joint account or similar financial association. If this is a joint application and such a link does not already exist then one may be created now. These links will remain until you file a "notice of disassociation" at the credit reference agencies.

Please note when applying for this card facility we may undertake a search with credit reference agencies. This could impact your ability to obtain credit elsewhere for a short period of time.

Fraud prevention agencies

If false or inaccurate information is provided and fraud is identified or suspected, details may be passed to fraud prevention agencies. We may also obtain information about you from fraud prevention agencies.
