RE: ATG Member Participation in the Wisconsin Real Estate Services Network

For the past several months, we have been informing our ATG Wisconsin members about the newly created Wisconsin Real Estate Services Network (WRE) – www.wrehome.com. The goal of the WRE is to create a comprehensive network of service providers for the real estate brokerage community across the state.

WRE provides a service that assists brokers in looking for legal experts in areas such as title, tax, litigation, closing, and arbitration services. Each legal service provider is an independent professional who establishes fee schedules and services directly with their broker clients and customers. There is **no** charge or cost to ATG members to be part of the network.

Several ATG members have already established new client relationships as participants in the WRE. When an inquiry for legal services arrives at the WRE, the broker is referred to a participating attorney in the area who can provide the needed legal services to the broker. It is then up to the attorney/client to decide if a relationship will be created.

I am currently putting together a roster of ATG members who would like to participate in the WRE. If you are interested, please fill out the attached form and return it to me by fax or e-mail. I will use this information to add your biography to the roster. Your website will also be available as a link on the WRE attorney/title insurance page.

If you have any questions, please feel free to contact me.
