

2012-2013 Teacher Registration Form

There's nothing like a fresh perspective and some real-world experience to capture your students' attention! Each year, more than 650 trained volunteers from the local business community make the Junior Achievement messages of financial literacy, money management, entrepreneurship, and business ethics come alive for over 17,000 K-12 students in public and parochial Lincoln-area schools. Your volunteer will come equipped with age-appropriate lesson plans, innovative curriculum, and the motivation to help your students understand how they can use their education to achieve future success. JA is provided to your classroom completely free, and the time commitment is minimal – just five 45-minute sessions on the days of your choosing.
