Instructions for Establishing Your Individual 401(k) Plan

Consult With Your Attorney

Carefully read the enclosed information. If you are starting your own plan or are seriously considering doing so, please consult with your Attorney and Tax Advisor.

Who Should Use This Plan?

This Individual 401(k) Plan ("plan") is designed for businesses that employ owners, including partners, and their spouses. Partners must own at least five percent of the capital interest or profit interest. If you employ anyone other than your spouse, or partners and their spouses, you cannot use this document. If you later add any employees other than your spouse or partners to your staff, you will need to cooperate fully with Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal Trust) in restating your current plan to a more suitable type of plan.

If you are restating an existing profit sharing plan to this plan, you must ensure that your current plan document has been updated for all applicable regulatory changes before effecting this restatement. If your current plan has not yet been updated, you cannot use this document. Contact a representative at 800-209-9010 for assistance.

What is Required of an Employer to Establish this Plan?

When you decide to start your individual 401(k) ("plan"), complete the:

- Principal Trust Company Trust Agreement for Self Directed Accounts (Attachment A of the Basic Savings Plan)
- Service Agreement for Individual 401(k) Plans
- Adoption Agreement
- Qualified Plan Participant Information Form
- Beneficiary Designation Form (needed for each plan participant)

Print a copy of the Basic Savings Plan Document to retain for your records. A copy of the plan document is located on our website (www.principaltrust.com).

Forward these documents, with the exception of the Basic Savings Plan, to Principal Trust for approval. When Principal Trust has received these documents, along with your acceptance fee check payable to Principal Trust, they will be reviewed for compliance with existing underwriting guidelines. If accepted, Principal Trust will execute the Service Agreement and Trust Agreement and return a copy to you for your records. Also, see the Employer's Administrative Guide.

Paying by check authorizes Principal Trust to send the information from your check electronically to your bank for payment. You will not receive your original check back from your financial institution. For security reasons we will destroy your original check, but we will keep an electronic image of the check for recordkeeping purposes

Employers Administrative Guide

Initial Requirements

Plan Qualification

Note: Only a business owner, including partners, and spouse(s) may use this plan. If you have other employees who are eligible or will become eligible in the future, you cannot adopt this Plan. Please contact us so that we may suggest a plan that may be a better fit for you.

This prototype plan has received a favorable opinion letter issued by the National Office of Internal Revenue Service as being qualified under Section 401(a) of the Internal Revenue Code (Principal Trust's opinion letter). This means that employers and owners/spouses who are covered by this plan receive favorable tax treatment for their contributions to the plan. To maintain the tax qualification, an employer must follow all terms of the plan document.

An employer who adopts this prototype plan and maintains or has ever maintained another plan cannot rely solely on Principal Trust's opinion letter but must apply with Internal Revenue Service (IRS) for a separate determination to ensure continued qualification of the plan by the IRS.

To apply for a determination letter, complete and file IRS Form 5307.

An applicant for a determination letter must provide notice to all interested parties, in accordance with IRS Regulations. Send this notice to each employee who qualifies as an interested party or post it in a conspicuous place accessible to all employees no later than 10 days and no earlier than 24 days before the date of the determination letter application.

Employee Announcement

Notify employees of the establishment of the plan upon adoption.

Principal Trust will assist with preparation of Form 5500-EZ as appropriate.

Establishing Employee Accounts

By law, all eligible owners and/or spouses must be notified about their eligibility to participate in this Plan. Individual accounts for each owner and/or spouse should be opened with the investment firm designated by that individual on the Qualified Plan Participant Information Form. The investment firm must have a service agreement with Principal Trust.

The accounts should be titled as follows:

DELAWARE CHARTER GUARANTEE & TRUST COMPANY, TTEE

Name of Employer: Individual 401(k) Plan

FBO: Name of Employee

P.O. Box 8963 / Wilmington, DE 19899-8963

Trust Agreement for Self-Directed Accounts Attachment A

The following Trust is established to be used in connection with Principal Trust Company Basic Defined Contribution Plan #02 and Basic Savings Plan #01 adopted by the Employer. Unless the context of this Trust Agreement clearly indicates otherwise, the terms defined in Section 1.02 of the Plan entered into by the Employer, of which this Trust Agreement forms a part shall, when used herein, have the same meaning as in the Plan.

Section 1 – Appointment of Trustee and Trust Fund

1.1 Trust

The Employer hereby appoints the individual(s) employed by the Employer, a Bank or Trust company listed in Section 8 of this Trust Agreement as Trustee(s) for the Plan (hereafter, "Trustee") and accepted by the Trustee in writing. The Employer hereby establishes with the Trustee a trust Account or Accounts on behalf of the Plan consisting of such sums of money and such other property acceptable to the Trustee as shall from time to time be contributed, paid or delivered to the Trustee pursuant to this Trust Agreement at the address specified by the Trustee. All such money and property, all investments and reinvestments made therewith and proceeds thereof, less any payments or distributions made by the Trustee pursuant to the terms of this Trust Agreement, are referred to herein as the "Trust". The Trust shall be held by the Trustee in accordance with the express provisions of this Trust Agreement and the requirements of law.

1.2 Delegation of Authority

The Trustee may delegate to a custodian or other agent the custodianship of all or part of the assets of the Trust. The Trustee may arrange for the delegation by the Trustee to the Employer or any agent of the Employer, hereafter "Agent", of any powers or functions of the Trustee hereunder other than the custody of the Trust assets. The Trustee shall not be responsible for any act or omission of such person or persons arising from any such delegation, except to the extent provided in Section 4.8.

1.3 Limitations of Trustee's Duties

- a) With respect to its duties hereunder, the Trustee is a non-discretionary trustee and shall have no duty to: (i) determine or enforce payment of any contribution due under the Plan; (ii) inquire into the accuracy of or monitor the timing of any contribution to the Trust; (iii) determine the adequacy of the funding policy adopted by the Employer to meet its obligations under the Plan; (iv) look into the propriety of any investment or distribution made under the Plan; (v) locate missing Participants, (vi) determine the reasonableness of any fees to be paid from the Trust, (vii) in the event of the Employer's bankruptcy or insolvency, take any action until directed to do so by the bankruptcy trustee or a court that has jurisdiction over Plan assets, and (viii) ensure the qualification of the Plan under the Code. The Trustee shall not be deemed to be the Plan Administrator, the Plan Sponsor or a Named Fiduciary of the Plan as defined in sections 3(16)(A), 3(16)(B) and 402(a)(2), respectively, of ERISA.
- b) Any direction, instruction, or notice to the Trustee by a Participant, the Employer, the Plan Administrator, the Investment Manager, the Named Fiduciary, the Insurer, or other person pursuant to any of the provisions of this Plan and trust shall be in writing and delivered by regular mail, and shall be effective only upon actual receipt. Any direction, instruction, or notice from the Trustee to the Employer, a Participant, Plan Administrator, Named Fiduciary, Investment Manager, the Insurer, or other person pursuant to any of the provisions of the Plan and this Trust shall be considered effective when the Trustee mails it to the last address of the intended recipient which is contained in the Trustee's records. The Employer and the Trustee may agree in writing that any such direction, instruction, or notice may be given by alternative methods, including facsimile transmission, telephone, or electronic transmission to any e-mail address, fax, or telephone number and shall, with regard to such alternate means of giving any such direction, instruction, or notice, provide for the use of identifying numbers or procedures that must be followed with regard to the giving of any such direction, instruction, or notice. The Employer shall inform the Plan Administrator, Named Fiduciary, Participants, and any Investment Manager of such agreed upon alternative methods. The Trustee shall not be under any duty or obligation to act on any notice, instruction, or direction received in a form other than those agreed upon between the Employer, Plan Administrator or Named Fiduciary and the Trustee. The Trustee may absolutely rely upon any and all such directions, instructions, or notices reasonably believed by it to be genuine and shall be fully protected in acting in accordance therewith. The Employer agrees to indemnify and hold the Trustee harmless against any loss, cost, claim damage, expense, and liability (including reasonable attorney's fees) and other costs it may incur in acting upon such notice, instructions, or directions. Except for the Trustee's own gross negligence, the Trustee shall incur no liability for any act or failure to act pursuant to this Trust Agreement, unless a higher standard of care is imposed by ERISA.

- c) The Trustee is not liable for the acts or omissions of any Named Fiduciary, Investment Manager, the Employer, the Plan Administrator, or the Insurer, nor is the Trustee under any obligation to invest or otherwise manage any asset of the Plan which is subject to the management of a properly appointed Investment Manager. A Named Fiduciary and any properly appointed Investment Manager may execute a letter of agreement as a part of this Plan delineating the duties, responsibilities, fee structure, and liabilities of the Investment Manager with respect to any part of the Trust Fund under the control of the Investment Manager.
- d) The Trustee may assume that the Employer, the Named Fiduciary, the Plan Administrator, the Insurer, and the Investment Manager are appropriately discharging their duties under the Plan and this Trust Agreement unless and until it is notified to the contrary in writing by any person known to the Trustee to be a Participant in the Plan, the Employer, or a governmental agency with jurisdiction. In the event the Trustee receives said written notice, then the Trustee shall take any actions it deems appropriate, including, if the Trustee so desires, applying to a court of competent jurisdiction and/or Federal regulatory authorities for guidance with respect to disposition of the Trust Fund.
- e) The Trustee shall have no responsibility for the management and control of the Trust Fund beyond implementation of instructions, notice, or directions received by the Trustee in accordance with this Trust Agreement, it being contemplated that all Plan assets will be under the control or direction of the Insurer or a properly appointed Investment Manager, or subject to Participant, Employer, Plan Administrator, or Named Fiduciary direction. The Trustee shall not be responsible for reviewing reports provided by the Insurer or any Investment Manager. The Trustee will be under no duty of inquiry or review with regard to any direction, instruction, or notice that it may receive in accordance with this Trust Agreement except as set forth in Section 4.1.
- f) The duties and responsibilities of the Trustee shall be limited to those set forth in this Trust Agreement and nothing contained in this Trust Agreement shall be deemed, either expressly or by implication, to impose any additional duties, powers, or responsibilities on the Trustee.

1.4 – Section 404(c) Compliance

The Trustee shall have no duty or responsibility to review any aspect of the Plan or its administration relating to compliance with ERISA Section 404(c).

Section 2 – Accounts

2.1 Establishing Accounts

Subject to Section 1.1, the Trustee shall open and maintain a Trust account for the Plan. Upon receipt of written instructions from the Employer, the Trustee also shall maintain such Participant Accounts as the Employer may direct. The Trustee may also, upon written instructions from the Employer or its Agent, open and maintain such other accounts as may be appropriate to aid in the administration of the Plan. The Employer shall give written instructions to the Trustee specifying the Participants' Accounts to which contributions and forfeitures are to be credited, and the amounts of such contributions and forfeitures which are to be credited.

2.2 Charges Against Accounts

Upon receipt of written instructions from the Employer, the Trustee shall charge:

- a) the appropriate Account of an Employer or Participant for any withdrawals, distributions or the disposition of any Forfeiture made according to the terms of the Plan; and
- b) any reasonable fees, taxes and expenses as determined by the Employer, which may be charged against the Trust Fund.

Section 3 – Investment of Trust Assets

3.1 Investment of Trust Assets

The Trustee shall not have any discretion, and is specifically prohibited from having or exercising any discretion, with respect to the investment of Trust assets. Except as provided in Section 3.3 (Participant Directed Investments) hereof, the Employer or its Agent shall be responsible for giving the Trustee written directions as to the investment and disposition of the Trust assets. Assets of the Trust may be invested in securities obtainable through an investment or brokerage firm (or any stockbroker selected by the Employer) either "over the counter" or on a nationally recognized exchange, life insurance, endowment, Annuity Contracts, mutual funds, bonds, debentures, notes, mortgages or other securities or other real or personal property which is administratively acceptable to the Trustee. A decision by the Trustee that an investment is not administratively acceptable shall not constitute a determination by the Trustee of the prudence or advisability of the investment nor shall it constitute investment advice on the part of the Trustee.

3.2 Written Instruction

The term "Employer", as used throughout this Trust Agreement includes any duly authorized designee of the Employer, such as a Plan Administrator, Named Fiduciary or Investment Manager or any individual having apparent authority as such. If written instructions are not received by the Trustee, or if such instructions are received but are deemed by the

Trustee to be unclear, upon notice to the Employer, the Trustee may elect to hold all or part of any such contribution in cash, without liability for rising security prices or distributions made, pending receipt by it from the Employer of written instructions or other clarification.

If any contributions received by the Trustee from the Employer are less than any minimum which a directed investment requires, the Trustee may hold the specified portion of such contributions in cash, without interest, until such time as the proper amount has been contributed so that the directed investment may be made. The Trustee shall receive all directions or instructions in writing.

3.3 Participant Directed Investments

When so instructed by the Employer, the Trustee shall invest all or any portion of the Participant's Account as directed by such Participant. Such directed investment shall be accounted for separately for each Participant. The Employer shall have the duty to select and monitor all investment options made available to Participants under the Plan. The Employer shall ensure that all Participants who are entitled to direct the investment of assets in their Accounts previously received or receive a copy of all material describing such investment options that is required by law. Delivery of investment directions by the Employer in accordance with the instructions of a Participant or by the Participant directly to the Trustee shall entitle the Trustee to assume that the Participant has received all such descriptive material. Each Participant who directs the investment of his or her Accounts shall be solely and absolutely responsible for the investment or reinvestment of any such directed Plan investment held on his or her behalf in the Trust, and, except as otherwise provided herein, the Trustee shall not question any such direction, review any securities or other such assets, or make suggestions with respect to the investment, reinvestment, retention or disposition of any such assets. The Trustee shall not have any liability or responsibility for diversification of such assets or for any loss to or depreciation of such assets because of the purchase, retention or sale of assets in accordance with a Participant's direction. The Participant shall have sole responsibility for the overall diversification, liquidity and prudence of the investments of his or her Account. If a Participant fails to direct the investments of his or her Account, the Trustee shall invest the Participant's Account in accordance with the written directions of the Employer.

3.4 Employer Directed Investments

The Employer or its Agent, by written direction to the Trustee, is authorized to designate all or a portion of the Trust assets of which the Employer will direct investments, and the Trustee may segregate such assets into one or more separate accounts or administer the Trust as one Account. In the event the Employer shall employ or appoint an Investment Manager to direct the Trustee with respect to a portion of the Trust, the Employer will notify the Trustee in writing of the appointment of the Investment Manager, including his or her name and address. Whether or not the Trust is segregated into separate accounts, the Trustee shall invest such portion of the Trust as directed by the Employer or its duly appointed Investment Manager. The Trustee shall have no duty to question any action or direction of the Employer or Investment Manager or any failure of the Employer or Investment Manager to give directions, or to review the securities or other investments which are held pursuant to the Employer's or Investment Manager's direction or to make suggestions to the Employer or Investment Manager as to the investment, reinvestment, retention or disposition of any such assets.

The Trustee shall not have any liability or responsibility for diversification of such assets, or for any loss to or depreciation of such assets because of the purchase, retention or sale of assets in accordance with the Employer's or Investment Manager's direction. The Employer shall have responsibility for the overall diversification of the Trust.

3.5 Trustee's Liability with Respect to Employer or Participant Directed Accounts

The Trustee shall not be liable for, and the Employer will indemnify and hold harmless the Trustee (including its employees, affiliates, representatives and agents) from and against, any liability or expense (including counsel fees) because of: (a) any investment action taken or omitted by the Trustee in accordance with any direction of the Employer, Agent, Investment Manager or a Participant, or (b) any investment inaction in the absence of investment directions or clarification of investment directions from the Employer, Agent, Investment Manager or a Participant.

3.6 Investment Procedures

Notwithstanding any other provision of this Trust Agreement to the contrary, the Trustee may establish such reasonable rules and regulations, applied on a uniform basis to all Employers, Participants, or Agents (whichever is applicable) with respect to the requirements for, and the form and manner of, effecting transactions with respect to Participant directed investments as the Trustee shall determine to be consistent with the purposes of the Plan. Any such rules and regulations shall be binding upon all persons interested in the Trust.

3.7 Knowledge of Trustee

Although it is understood that when the Trustee is subject to the direction of the Employer, Participant, or Agent, the Trustee will perform certain ministerial duties with respect to the portion of the Trust subject to such direction, such duties do not involve the exercise of any discretionary authority to manage or control Trust assets. Such ministerial duties will be performed in the normal course of business by employees of the Trustee, its affiliates or agents. It is agreed that the Trustee is not undertaking any duty or obligation, express or implied, to review, and will not be deemed to have any knowledge or responsibility with respect to any transaction involving the investment of the Trust as a result of the performance of these ministerial duties. Therefore, in the event that the Employer, Participant, or Agent engages

in any transaction which results in a claim against the Trustee, and knowledge of the Trustee is a prerequisite to imposing a duty upon or determining liability of the Trustee under: (i) the Plan, (ii) this Trust Agreement, or (iii) any law regulating the conduct of trustees with respect to the investment of trust assets, then the Trustee's receipt and processing of investment orders and other documents relating to the Trust assets shall be considered the performance of purely ministerial duties and shall not constitute knowledge on the part of the Trustee. For the purpose of this section, Trustee shall include its employees, agents and affiliates.

Section 4 – Duties of the Trustee

4.1 Duties of the Trustee

The Plan Administrator operates and administers the Plan. The Trustee is not responsible for any aspect of the Plan's operation or administration. A Named Fiduciary may appoint an Investment Manager to manage, including the power to acquire and dispose of, any asset of the Plan. The Trustee is not responsible for any aspect of an Investment Manager's advice, control or management. The Trustee is not required to look into any action taken by the Employer, the Plan Administrator, the Named Fiduciary, a Participant, or an Investment Manager, and will be fully protected in taking, permitting, or omitting any action on the basis of their instructions or direction unless such direction is, in the Trustee's opinion, contrary to the terms of the Plan, the Code or ERISA. Any instructions, notice, or direction by the Employer, the Plan Administrator, the Named Fiduciary, a Participant, or an Investment Manager, given in accordance with the provisions of the Plan shall be given or made as described in this Trust Agreement; any attempted instruction, direction, or notice made in any other format shall be void and of no effect and the Trustee shall not act on such. The Employer will indemnify the Trustee for any claims and costs the Trustee may incur in acting according to the trust provisions or upon instruction, direction, or notice from the Employer, the Plan Administrator, the Named Fiduciary, a Participant, or an Investment Manager.

In the event the Trustee becomes aware of material non-public information, the Trustee reserves the right to inquire about the Named Fiduciary's knowledge and consideration of such information with respect to the directions it received. The Trustee reserves the right to contact the Employer directly if written confirmation to its inquiry is not received from the Named Fiduciary within a reasonable period of time.

4.2 Directed Powers of the Trustee

The Trustee shall have the following powers with respect to the Trust Fund as appropriate under this Trust Agreement and subject to direction or instruction by the Plan Administrator, Named Fiduciary, Investment Manager, or Participant, as appropriate under the Plan. In no event shall the Trustee be required to review such directions or instructions, except as set forth in Section 4.1, and the Employer shall indemnify and protect the Trustee from any claims and costs resulting from following such directions. The Trustee shall have the power:

- a) To make, execute, acknowledge and deliver any and all documents of transfer and conveyance and other instruments that may be necessary or appropriate to execute the Trustee's duties;

- m) To require written representations and warranties from the Named Fiduciary, Investment Manager or their authorized representatives that no direction provided by the Named Fiduciary, Investment Manager, or their authorized representatives will result in a non-exempt prohibited transaction under the Code or ERISA.

Each and all of the foregoing powers may be exercised without a court order or approval. No one dealing with the Trustee need inquire concerning the validity or propriety of anything that is done by the Trustee or need to see the application of any money paid or property transferred to or upon the order of the Trustee.

4.3 General Powers

The Trustee shall have all of the powers necessary to do all acts and exercise all such rights and privileges, whether or not expressly authorized herein, which it may deem necessary or proper for the protection of the Trust and to accomplish any action provided for in this Trust Agreement. Any surviving spouse or Beneficiary shall be bound by the terms of this Trust Agreement regarding investments and administration of their interest.

4.4 Valuation of Trust

The Trust shall be valued by the Trustee at current fair market value as of the last day of the Plan year and, at the discretion of the Trustee, may be valued more frequently. The Trustee may adopt such methods of valuation as it deems advisable taking into consideration, among other things, investment earnings and losses, expenses charged, payments made and changes in value of the assets held in the Trust. The valuation of the Trust at fair market value includes, but is not limited to, benefit statements, fair market value statements, or any statements showing the fair market value of the investments that are issued by investment and brokerage firms (or any stockbroker selected by the Employer) and sent directly to a Participant or to the Employer. Any report that the Trustee files with the Employer is open to inspection by a Participant for a period of sixty (60) days following the date it is filed. At the end of the sixty day period, the Trustee is released and discharged as to any matters set forth in the report, except with respect to any act or omissions by the Trustee for which a Participant, the Plan Administrator, the Named Fiduciary or the Employer has filed a written objection within the sixty day period.

4.5 Trust Records

The Trustee shall keep records required to be maintained hereunder with respect to the Trust.

The Trustee agrees to treat as confidential all records and other information related to the Trust. The Trustee shall not disclose such records and other information to parties other than the Employer, except to the extent required by law, or as permitted by the Employer.

4.6 Distribution

At the direction of the Employer or its Agent, the Trustee shall mail or arrange for mailing distributions from the Trust to the Employer for the benefit of the Participants and, to the extent agreed to by the Trustee, shall make distributions directly to the Participants. The Trustee shall not be liable or responsible for any errors made by the Employer with respect to distributions. The Trustee shall be entitled to rely conclusively upon the Employer's or Agent's directions. Notwithstanding any other provision of the Trust Agreement, the Trustee may condition its delivery, transfer or distribution of any Trust assets upon the Trustee's receiving satisfactory assurances that the approval of appropriate governmental agencies or other authorities has been secured and that all notice and other procedures required by applicable law have been satisfied.

4.7 Trustee's Fees

The Trustee's fees for performing its duties hereunder shall be such reasonable amounts as shall be established by it from time to time. The Trustee shall furnish to the Employer its current schedule of fees and give written notice to the Employer whenever its fees are changed or revised. Such fees, any taxes of any kind whatsoever which may be levied or assessed upon the Trust, and any expenses incurred by the Trustee in the performance of its duties, including, but not limited to, fees for legal services rendered to the Trustee, or fees charged to the Trustee by an independent appraiser hired by the Trustee to value assets of the Trust at fair market value pursuant to section 4.4 shall be paid by the Employer, unless the Employer directs the Trustee to deduct such fees, taxes and expenses from the Trust Fund pursuant to Section 2.2(b) above.

In the event the Employer shall at any time fail to pay the Trustee's fees, taxes, and expenses within a reasonable time after demand for such payment has been made by the Trustee, the Trustee will charge the Employer's Trust Fund such fees, taxes and expenses and may liquidate such assets of the Trust Fund for such purposes as it shall, in its sole discretion, determine. The custodian will collect such fees, taxes and expenses as directed by the Trustee. Notwithstanding Section 2.2(b) above, all payments under this Section and the liquidation of assets to obtain funds may be made without the approval or direction of the Employer or Agent. If the Trust Fund is not sufficient to satisfy these fees, taxes and expenses, then the Trustee will charge the Employer for such unpaid fees, taxes and expenses.

4.8 Duties not Assigned

The duties of the Trustee with respect to the Trust are limited to those assumed by the Trustee under the terms of this Trust Agreement. The Trustee shall not be responsible for voting proxies, receiving or mailing proxy materials (which shall be mailed directly to the beneficial owners of the proxies by the issuers of the proxies or their agents), filing reports, returns or disclosures with any government agency except as may otherwise be required by its duties as Trustee under applicable law or expressly agreed to in writing by the Trustee. Proxies or proxy materials that are received by the Trustee will be destroyed. All litigation materials will be forwarded to the Employer, Participants, or Agent as appropriate.

4.9 Standards for the Trustee's Powers

Notwithstanding any other provision of this Trust Agreement, the Trustee shall discharge its duties hereunder solely in the interest of the Participants and for the exclusive purpose of providing benefits to the Participants and defraying reasonable expenses of administering the Trust, with the skill, care, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims. The Trustee shall perform its duties in accordance with this Trust Agreement. The Trustee shall not be responsible in any way for any action or omission of the Employer with respect to the performance of its duties and obligations set forth in this Trust Agreement and in the Plan.

The Trustee may rely upon such information, direction, action or inaction of the Employer, Participants or Agent as being proper under the Plan or the Trust Agreement and is not required to inquire into the propriety of any such information, direction, action, or inaction. The Trustee shall not be responsible for any action or omission of any of its agents or with respect to reliance upon advice of its counsel (whether or not such counsel is also counsel to the Employer), provided the Trustee relied in good faith upon the action of such agent or the advice of such counsel.

Section 5 – Duties of the Employer

5.1 Duties of the Employer

It is understood that the Employer or its Agent shall be responsible for the performance of the following functions with respect to the Trust:

The cost of any such bond shall be paid by the Employer.

5.3 Information and Data to be Furnished to the Trustee

- c) The Plan Administrator and Named Fiduciary will maintain and follow established written procedures for identifying prohibited transactions and seeking applicable exemptive relief.
- d) There are no plan documents or instruments that establish limits on the investments in which the plan may invest that have not been provided to the Trustee and that it or the Named Fiduciary will provide copies to the Trustee within 15 days of any changes to the Plan's documents that establish limits on plan investments.
- e) It will not object if the Trustee discloses material non-public information to the Employer or Named Fiduciary.

5.5 Limitation of Duties

Neither the Trustee nor any of its officers, directors, partners affiliates or agents shall have any duties or obligations with respect to this Trust Agreement, except those expressly set forth herein and in the Plan.

Section 6 – Termination of Trust

6.1 Resignation or Removal of Trustee

The Trustee may resign at any time upon thirty (30) days prior written notice to the Employer or may be removed by the Employer at any time upon thirty days prior written notice to the Trustee. Upon resignation, or removal by the Employer or if the Trustee is unable to fulfill its duties under this Trust Agreement for any reason, the Employer shall appoint a successor trustee. Upon receipt by the Trustee of written acceptance of such appointment by the successor trustee, the Trustee shall transfer to the successor the assets of the Trust and all records (or copies) pertaining thereto. The Trustee is authorized, however, to reserve such sum of money or property as it may deem advisable for payment of all fees, compensation, costs and expenses, or for payment of any liabilities constituting a charge on or against the assets of the Trust or on or against the Trustee, with any balance of such reserve remaining after payment of all such items to be paid over to the successor trustee. Upon the assignment and transfer of the assets of the Trust, and obtaining a receipt thereof from the successor trustee, the Trustee shall be released and discharged from any and all claims, demands, duties and obligations arising out of the Trust and its management thereof, excepting claims based only upon the Trustee's willful misconduct or gross negligence. If on the date upon which the Trustee's resignation or removal is effective, the Employer has not appointed a successor trustee which has accepted such appointment, the Trustee shall appoint the Employer as successor trustee and shall deem automatic acceptance of such appointment.

6.2 Termination of the Trust

The Trust shall continue with respect to the Employer so long as the Plan is in full force and effect. If the Plan ceases to be in full force and effect, this Trust shall terminate and Trust assets shall be distributed according to the terms of the Plan.

Section 7 -- Miscellaneous

7.2 Indemnification

The Employer shall indemnify and hold harmless the Trustee (including its affiliates, employees, representatives and agents) from and against any liability, cost or other expense, including, but not limited to, the payment of attorney's fees which the Trustee may incur in connection with the Trust or the Plan unless such liability, cost or expense arises from the Trustee's own willful misconduct or gross negligence. Contributions made by the Employer by "mistake of fact" may revert and be paid to the Employer within one year after the payment of such mistake contributions. In making such a return of assets to the Employer, the Trustee may accept the Employer's written direction as its evidence that such payment complies with the Plan and section 403(c) of ERISA, and the Trustee need make no further investigation.

Neither the Employer nor its Agent, however, may appoint the Trustee as its designee for purpose of this Section unless the Trustee agrees to such a designation in writing.

7.9 Amendments

The Employer and the Trustee may amend this Trust Agreement at any time by a written agreement between them; provided, however, that no such amendment shall make it possible for any part of the corpus or income of the Trust to be used or diverted to purposes other than the exclusive benefit of Participants and defraying reasonable expenses of administering the Plan and Trust.

7.10 Inspection of Plan Records by Employer

The Trustee agrees to permit the Employer or its Agent to inspect the records of the Trust maintained by the Trustee during regular business hours by giving reasonable written notice to the Trustee. The Trustee further agrees that it will provide the Employer or its Agent with information and records that the Employer may reasonably require.

If the dispute remains unresolved for any reason after 60 calendar days following the mailing of the response, the Parties will then proceed to mediation.

***Mediation.** The Parties will, as soon as commercially reasonable after the 60 day period referred to under Negotiation, above, initiate the mediation process and endeavor in good faith to settle their dispute by mediation. Unless the Parties agree to the contrary, the mediation will conform to the then current Mediation Rules for Commercial Financial Disputes of the American Arbitration Association or such similar organization as the Parties may agree. If the Parties cannot agree on a neutral mediator, one will be appointed by the American Arbitration Association in accordance with its mediation rules. Mediation will occur within 60 days of the initiation of the mediation process. The Parties will share equally in the fees and expenses of the mediator and the cost of the facilities used for the mediation, but will otherwise bear their respective costs incurred in connection with the mediation. The mediation shall be non-binding. If the dispute remains unresolved for any reason after the completion of the mediation process, the Parties will then proceed to arbitration.

***Arbitration.** If a dispute is to be resolved by arbitration, the arbitration proceeding will take place in Wilmington, Delaware. The arbitration will be governed by the Federal Arbitration Act.

There will be three arbitrators, each of which will be selected, and the arbitration conducted, in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), except that the provisions of this Agreement will control over the AAA rules where the Agreement and the Rules differ or the Rules are silent.

The arbitrators must be attorneys (current members of the bar of the State or retired from active practice within the past 5 years) who are familiar with, and have practiced in, the areas of law relevant to the arbitration.

The Parties will share equally in the fees and expenses of the arbitrators and the cost of the facilities used for the arbitration hearing. Each Party will bear all other costs and expenses that it incurs in connection with the arbitration.

Depositions will not be allowed, but information may be exchanged by other means.

The Parties agree to use their best efforts to ensure that the arbitrators are selected promptly and that the arbitration hearing is conducted no later than 3 months after the arbitrators are selected.

The arbitrators must decide the dispute in accordance with the substantive law which would govern the dispute had it been litigated in court. This requirement does not, however, mean that the award is reviewable by a court for errors of law or fact.

Following the arbitration hearing, the arbitrators will issue an award and a separate written decision that summarizes the reasoning behind the award and the legal basis for the award. The arbitrators may not award punitive damages and may not require one Party to pay another Party's costs, fees, attorneys' fees, or expenses. The award of the arbitrators will be binding on each Party. Judgment upon the award may be entered in any federal district court.

***Preliminary Injunctive Relief.** The dispute resolution procedures set forth above will be the sole and exclusive procedures for the resolution by the Parties of any disputes which arise out of or are related to this Agreement, except that a Party may seek preliminary or temporary injunctive relief from a court if, in the Party's sole judgment, such action is necessary to avoid irreparable harm or to preserve the status quo. If a Party seeks judicial injunctive relief as described in this paragraph, the Parties will continue to participate in good faith in the dispute resolution procedures described above. The Parties agree that no court which a Party petitions to grant the type of preliminary injunctive relief described in this paragraph may award damages or resolve the dispute. Venue for any judicial proceeding for preliminary or temporary injunctive relief will be in capital city of the State, unless the Parties agree to the contrary. Any objections or defenses based on lack of personal jurisdiction or venue are hereby expressly waived for the purposes of the injunctive relief described in this paragraph.

Termination of Services

Either party may terminate this Agreement by giving the other party written notice at least thirty (30) days in advance of the effective date of such termination. Unless agreed otherwise in writing, Principal Trust will not provide compliance services, including but not limited to the preparation of Form 5500-EZ, following the effective date of the termination, if the Employer terminates this Agreement before the end of the Plan year or Principal Trust terminates its services as a result of non-payment of Outstanding Fees. Principal Trust will, however, prepare IRS Form 1099-R for distributions that occurred prior to the effective date of the termination.

Acknowledgement

The Employer acknowledges that: (i) it has relied upon its own legal and tax advisors regarding the Plan and this Agreement, (ii) as Plan Administrator, the Employer is fully and ultimately responsible for the operation, administration, and operational and form integrity of the Plan, and (iii) Principal Trust Company assumes no responsibility for recordkeeping, compliance, or administrative work performed by another service provider prior to the effective date of this Agreement.

Indemnification

The Employer shall hereby indemnify and hold Principal Trust and its current and former officers, agents, and employees harmless against and from any and all loss or damage incurred by Principal Trust to the extent such loss or damage is caused by mistakes, omissions, delinquencies, or inaccuracies (including, but not limited to, untimely notification or lack of notification to Principal Trust of the hiring of common-law employees) of the Employer, its representatives, agents, or employees.

For the purpose of this indemnification, "loss or damage" includes any liability for principal, interest, costs, charges, sanctions, or attorney's fees (without limitation) and expenses incurred by Principal Trust.

Authorized Signatures

I have read, understand, and accept this Service Agreement for Individual 401(k) Plans in its entirety. I understand, accept, affirm, and certify that I, as the Employer, and Plan Administrator, am solely responsible for ensuring that my Plan does not, cannot, and shall not, at any time, cover any common-law employees. I shall immediately notify Principal Trust, but no later than ten (10) calendar days from the date I hire any common-law employees (including partners who own less than 5% of the company). I understand, acknowledge, agree, and accept that, immediately upon my notification of such event, Principal Trust will be required to terminate its services to my Plan.

Operational Summary for Principal Trust Company Basic Savings Plan Document

The following provisions apply to the Principal Trust Company Basic Savings Plan on the effective dates noted below. The plan sponsor must apply these changes operationally until formal amendments are required.

Heroes Earnings Assistance and Relief Tax Act of 2008 (the "HEART" Act)

Required Survivor Benefits

Effective January 1, 2007 the HEART Act requires that a plan provide the same death benefit for a participant who dies while performing qualified military service as it would for an employee who dies while actively employed.

Distribution of Elective Deferral Contributions

Effective as of January 1, 2009, the HEART Act requires the plan to allow employees performing qualified military service, including those receiving differential pay, to be eligible to receive a distribution from 401(k) elective deferral contributions, qualified nonelective contributions, qualified matching contributions, amounts attributable to salary reduction agreements under a 403(b) plan, and amounts deferred under a 457(b) plan. Participants who make such a withdrawal while in qualified military service will be subject to a six-month suspension on making future deferral or salary reduction contributions (including Roth deferrals) and after-tax employee contributions to the plan.

Differential Pay

Effective as of January 1, 2009, differential pay provided to employees while they are in qualified military service will be treated as wages subject to income tax withholding and will be reported on form W-2. Differential pay must be treated as plan compensation.

Worker, Retiree, and Employer Recovery Act of 2008 (WRERA)

WRERA provides relief from required minimum distributions (RMDs) for participants of defined contribution plans and is only effective for 2009. All required minimum distributions from the plan for the 2009 calendar year shall be suspended. This suspension would not apply to installment payments (fixed period or fixed payment). An amendment to your plan, if needed, does not need to be signed until the end of your 2011 plan year. We will send you an amendment at that time, if needed.

This section amends Item K, Compensation, in the Adoption Agreement by striking Item K(1) and substituting in lieu thereof the following:

- b) Simplified 415 Compensation as defined in Plan Section 3.04.

Basic Plan

Definitions.

This section modifies Plan Section 1.02.

Modification of the Definition of ANNUAL PAY. Effective as of the first day of the first Plan Year beginning on or after July 1, 2007:

If the Pay Year, Plan Year, and Limitation Year (as defined in Section 3.04) are the same, Annual Pay shall include amounts earned but not paid during the Pay Year solely because of the timing of pay periods and pay dates, provided the amounts are paid during the first few weeks of the next Pay Year, the amounts are included on a uniform and consistent basis with respect to all similarly situated Employees, and no Pay is included in more than one Pay Year. This paragraph shall cease to apply effective as of the first day of the first Plan Year beginning on or after January 1, 2010.

Modification of the Definition of PAY. Effective as of the first day of the first Plan Year beginning on or after July 1, 2007:

- b) Simplified 415 Compensation. Pay is defined as wages, salaries, and fees for professional services and other amounts received (without regard to whether or not an amount is paid in cash) for personal services actually rendered in the course of employment with us to the extent that the amounts are includible in gross income (including, but not limited to, commissions paid to salespersons, compensation for services on the basis of a percentage of profits, commissions on insurance premiums, tips, bonuses, fringe benefits, and reimbursements or other expense allowances under a nonaccountable plan (as described in section 1.62-2(c) of the regulations)), and excluding the following:

 - 2) amounts realized from the exercise of a nonstatutory stock option (that is, an option other than a statutory stock option as defined in section 1.421-1(b) of the regulations), or when restricted stock (or property) held by the Employee either becomes freely transferable or is no longer subject to a substantial risk of forfeiture;
 - 3) amounts realized from the sale, exchange or other disposition of stock acquired under a statutory stock option;
 - 4) other amounts that receive special tax benefits, such as premiums for group-term life insurance (but only to the extent that the premiums are not includible in the gross income of the Employee and are not salary reduction amounts that are described in Code Section 125); and

by striking the four paragraphs following (b) and substituting in lieu thereof the following:

For any Self-employed Individual, Pay means Earned Income.

Except as provided herein, Pay for a specified period is the Pay actually paid or made available (or if earlier, includible in gross income) during such period.

For Plan Years beginning on or after July 1, 2007, Pay for a Plan Year shall also include Pay paid by the later of 2 1/2 months after an Employee's Severance from Employment with us or the end of the Plan Year that includes the date of the Employee's Severance from Employment with us if the payment is regular Pay for services during the Employee's regular working hours, or Pay for services outside the Employee's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments, and, absent a Severance from Employment, the payments would have been paid to the Employee while the Employee continued in employment with us.

Any payments not described above shall not be considered Pay if paid after Severance from Employment, even if they are paid by the later of 2 1/2 months after the date of Severance from Employment or the end of the Plan Year that includes the date of Severance from Employment, except payments to an individual who does not currently perform services for us by reason of qualified military service (as that term is used in Code Section 414(u)(1)) to the extent these payments do not exceed the amounts the individual would have received if the individual had continued to perform services for us rather than entering qualified military service. Such payments shall be considered Pay for Plan Years beginning on or after July 1, 2007.

Back pay, within the meaning of section 1.415(c)-2(g)(8) of the regulations, shall be treated as Pay for the Plan Year to which the back pay relates to the extent the back pay represents wages and compensation that would otherwise be included in this definition.

Pay paid or made available during a specified period shall include amounts that would otherwise be included in Pay but for an election under Code Section 125(a), 132(f)(4), 402(e)(3), 402(h)(1)(B), 402(k), or 457(b). Pay shall also include employee contributions "picked up" by a governmental entity and, pursuant to Code Section 414(h)(2), treated as our contributions.

Pay shall also include deemed Code Section 125 Compensation. Deemed Code Section 125 Compensation is an amount that is excludible under Code Section 106 that is not available to a Participant in cash in lieu of group health coverage under a Code Section 125 arrangement solely because the Participant is unable to certify that he has other health coverage. Amounts are deemed Code Section 125 Compensation only if we do not request or otherwise collect information regarding the Participant's other health coverage as part of the enrollment process for the health plan.

Modification of the Definition of PREDECESSOR EMPLOYER. The definition of Predecessor Employer is modified by striking the definition of Predecessor Employer and substituting in lieu thereof the following:

Predecessor Employer means, except for purposes of Section 3.04, a firm of which we were once a part (e.g., due to a spinoff or a change of corporate status) or a firm absorbed by us because of a merger or acquisition (stock or asset, including a division of an operation of such company). The definition of Employer includes Predecessor Employers that

maintained this Plan.

Modification of the Definition of SEVERANCE FROM EMPLOYMENT. The definition of Severance from Employment is modified by striking the definition of Severance from Employment and substituting in lieu thereof the following:

Severance from Employment means, except for purposes of Section 3.04, an Employee has ceased to be an employee of the employer maintaining the Plan. An Employee does not have a severance from employment if, in connection with a change of employment, the Employee's new employer maintains such Plan with respect to the Employee.

Contribution Limitation

This section strikes Plan Section 3.04, and substitutes in lieu thereof the following:

Section 3.04 — Contribution Limitation.

The limitations of this section shall apply to Limitation Years beginning on or after July 1, 2007, except as otherwise provided herein.

- a) **Definitions.** For the purpose of determining the contribution limitation set forth in this section, the following terms are defined:

Annual Additions means the sum of the following amounts credited to a Participant's account for the Limitation Year:

- 1) employer contributions;
- 2) employee contributions; and
- 3) forfeitures.

Annual Additions to a defined contribution plan, as defined in section 1.415(c)-1(a)(2)(i) of the regulations, shall also include the following:

- 4) mandatory employee contributions, as defined in Code Section 411(c)(2)(C) and section 1.411(c)-1(c)(4) of the regulations, to a defined benefit plan;
- 5) contributions allocated to any individual medical benefit account, as defined in Code Section 415(l)(2), which is part of a pension or annuity plan maintained by the Employer;
- 6) amounts attributable to post retirement medical benefits, allocated to the separate account of a key employee, as defined in Code Section 419A(d)(3), under a welfare benefit fund, as defined in Code Section 419(e), maintained by the Employer; and
- 7) annual additions under an annuity contract described in Code Section 403(b).

Compensation means one of the following as specified in Item K:

- 1) Information Required to be Reported Under Code Sections 6041, 6051, and 6052 ("Wages, Tips and Other Compensation" box on Form W-2). Compensation is defined as wages, within the meaning of Code Section 3401(a), and all other payments of compensation to an employee by the Employer (in the course of the Employer's trade or business) for which the Employer is required to furnish the employee a written statement under Code Sections 6041(d), 6051(a)(3), and 6052. Compensation shall be determined without regard to any rules under Code Section 3401(a) that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code Section 3401(a)(2)).
- 2) Simplified 415 Compensation. Compensation is defined as wages, salaries, and fees for professional services and other amounts received (without regard to whether or not an amount is paid in cash) for personal services actually rendered in the course of employment with the Employer maintaining the plan to the extent that the amounts are includible in gross income (including, but not limited to, commissions paid to salespersons, compensation for services on the basis of a percentage of profits, commissions on insurance premiums, tips, bonuses, fringe benefits, and reimbursements or other expense allowances under a nonaccountable plan (as described in section 1.62-2(c) of the regulations)), and excluding the following:
 - i) employer contributions (other than elective contributions described in Code Section 402(e)(3), 408(k)(6), 408(p)(2)(A)(i), or 457(b)) to a plan of deferred compensation (including a simplified employee pension described in Code Section 408(k) or a simple retirement account described in Code Section 408(p), and whether or not qualified) to the extent such contributions are not includible in the employee's gross income for the taxable year in which contributed, and any distributions (whether or not includible in gross income when distributed) from a plan of deferred compensation (whether or not qualified);
 - ii) amounts realized from the exercise of a nonstatutory stock option (that is, an option other than a statutory stock option as defined in section 1.421-1(b) of the regulations), or when restricted stock (or property) held by the employee either becomes freely transferable or is no longer subject to a substantial risk of forfeiture;
 - iii) amounts realized from the sale, exchange or other disposition of stock acquired under a statutory stock

option;

- iv) other amounts that receive special tax benefits, such as premiums for group-term life insurance (but only to the extent that the premiums are not includible in the gross income of the employee and are not salary reduction amounts that are described in Code Section 125); and
- v) other items of remuneration that are similar to any of the items listed in (i) through (iv) above.

For any Self employed Individual, Compensation means Earned Income.

Except as provided herein, Compensation for a Limitation Year is the Compensation actually paid or made available (or if earlier, includible in gross income) during such Limitation Year.

Compensation for a Limitation Year beginning on or after July 1, 2007 shall include amounts earned but not paid during the Limitation Year solely because of the timing of pay periods and pay dates, provided the amounts are paid during the first few weeks of the next Limitation Year, the amounts are included on a uniform and consistent basis with respect to all similarly situated employees, and no Compensation is included in more than one Limitation Year. This paragraph shall cease to apply effective as of the first day of the first Plan Year beginning on or after January 1, 2010.

For Limitation Years beginning on or after July 1, 2007, Compensation for a Limitation Year shall also include Compensation paid by the later of 2 1/2 months after an employee's Severance from Employment with the Employer maintaining the plan or the end of the Limitation Year that includes the date of the employee's Severance from Employment with the Employer maintaining the plan, if the payment is regular Compensation for services during the employee's regular working hours, or Compensation for services outside the employee's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments, and, absent a Severance from Employment, the payments would have been paid to the employee while the employee continued in employment with the Employer.

Any payments not described above shall not be considered Compensation if paid after Severance from Employment, even if they are paid by the later of 2 1/2 months after the date of Severance from Employment or the end of the Limitation Year that includes the date of Severance from Employment, except payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code Section 414(u)(1)) to the extent these payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service. Such payments shall be considered Compensation for Limitation Years beginning on or after July 1, 2007.

Back pay, within the meaning of section 1.415(c)-2(g)(8) of the regulations, shall be treated as Compensation for the Limitation Year to which the back pay relates to the extent the back pay represents wages and compensation that would otherwise be included in this definition.

Compensation paid or made available during such Limitation Year shall include amounts that would otherwise be included in Compensation but for an election under Code Section 125(a), 132(f)(4), 402(e)(3), 402(h)(1)(B), 402(k), or 457(b).

Compensation shall also include deemed Code Section 125 Compensation. Deemed Code Section 125 Compensation is an amount that is excludible under Code Section 106 that is not available to a Participant in cash in lieu of group health coverage under a Code Section 125 arrangement solely because the Participant is unable to certify that he has other health coverage. Amounts are deemed Code Section 125 Compensation only if the Employer does not request or otherwise collect information regarding the Participant's other health coverage as part of the enrollment process for the health plan.

Compensation shall not include amounts paid as Compensation to a nonresident alien, as defined in Code Section 7701(b)(1)(B), who is not a Participant in the Plan to the extent the Compensation is excludible from gross income and is not effectively connected with the conduct of a trade or business within the United States.

Defined Contribution Dollar Limitation means, effective for Limitation Years beginning after December 31, 2001, \$40,000, automatically adjusted under Code Section 415(d), effective January 1 of each year, as published in the Internal Revenue Bulletin. The new limitation shall apply to Limitation Years ending with or within the calendar year of the date of the adjustment, but a Participant's Annual Additions for a Limitation Year cannot exceed the currently applicable dollar limitation (as in effect before the January 1 adjustment) prior to January 1. However, after a January 1 adjustment is made, Annual Additions for the entire Limitation Year are permitted to reflect the dollar limitation as adjusted on January 1.

Employer means the employer that adopts this Plan, and all members of a controlled group of corporations (as defined in Code Section 414(b) as modified by Code Section 415(h)), all commonly controlled trades or businesses (as defined in Code Section 414(c), as modified, except in the case of a brother-sister group of trades or businesses under common control, by Code Section 415(h)), or affiliated service groups (as defined in Code Section 414(m)) of which the adopting employer is a part, and any other entity required to be aggregated with the employer pursuant to Code Section 414(o).

Limitation Year means the consecutive 12 month period ending on the last day of each Plan Year, including corresponding consecutive 12-month periods before the Effective date. All qualified plans maintained by the Employer must use the same Limitation Year. If the Limitation Year is amended to a different consecutive 12 month period, the

new Limitation Year must begin on a date within the Limitation Year in which the amendment is made.

Master or Prototype Plan means a plan, the form of which is the subject of a favorable opinion letter from the Internal Revenue Service.

Maximum Annual Addition means, for Limitation Years beginning on or after January 1, 2002, except for catch-up contributions described in Code Section 414(v), the Annual Addition that may be contributed or allocated to a Participant's Account under the Plan for any Limitation Year. This amount shall not exceed the lesser of:

- 1) The Defined Contribution Dollar Limitation, or
- 2) 100 percent of the Participant's Compensation for the Limitation Year.

A Participant's Compensation for a Limitation Year shall not include Compensation in excess of the limitation under Code Section 401(a)(17) that is in effect for the calendar year in which the Limitation Year begins.

The compensation limitation referred to in (2) shall not apply to an individual medical benefit account (as defined in Code Section 415(l); or a post-retirement medical benefits account for a key employee (as defined in Code Section 419A(d)(1)).

If a short Limitation Year is created because of an amendment changing the Limitation Year to a different consecutive 12 month period, the Maximum Annual Addition will not exceed the Defined Contribution Dollar Limitation multiplied by the following fraction:

$$\frac{\text{Number of months (including any fractional parts of a month)} \\ \text{in the short Limitation Year}}{12}$$

If the Plan is terminated as of a date other than the last day of the Limitation Year, the Plan is treated as if the Plan was amended to change the Limitation Year and create a short Limitation Year ending on the date the Plan is terminated.

If a short Limitation Year is created, the limitation under Code Section 401(a)(17) shall be prorated in the same manner as the Defined Contribution Dollar Limitation.

Predecessor Employer means, with respect to a Participant, a former employer if the Employer maintains a plan that provides a benefit which the Participant accrued while performing services for the former employer. Predecessor Employer also means, with respect to a Participant, a former entity that antedates the Employer if, under the facts and circumstances, the Employer constitutes a continuation of all or a portion of the trade or business of the former entity.

Severance from Employment means an employee has ceased to be an employee of the Employer maintaining the plan. An employee does not have a Severance from Employment if, in connection with a change of employment, the employee's new employer maintains the plan with respect to the employee.

- b) This (b) applies if, the Participant is not covered under another defined contribution plan, as defined in section 1.415(c)-1(a)(2)(i) of the regulations, (without regard to whether the plan(s) have been terminated) maintained by the Employer. The amount of Annual Additions which may be credited to the Participant's Account for any Limitation Year shall not exceed the lesser of the Maximum Annual Addition or any other limitation contained in this Plan. If the Employer Contribution that would otherwise be contributed or allocated to the Participant's Account would cause the Annual Additions for the Limitation Year to exceed the Maximum Annual Addition, the amount contributed or allocated shall be reduced so that the Annual Additions for the Limitation Year will equal the Maximum Annual Addition.
- c) This (c) applies if, in addition to this Plan, the Participant is covered under another defined contribution plan, as defined in section 1.415(c)-1(a)(2)(i) of the regulations, (without regard to whether the plan(s) have been terminated) maintained by the Employer which provides an Annual Addition during any Limitation Year, and no such plan is an individually designed plan. The Annual Additions which may be credited to a Participant's Account under this Plan for any such Limitation Year will not exceed the Maximum Annual Addition, reduced by the Annual Additions credited to a Participant's account under the other defined contribution plan(s) for the same Limitation Year. If the Annual Additions with respect to the Participant under the other defined contribution plan(s) maintained by the Employer are less than the Maximum Annual Addition, and the Employer Contribution that would otherwise be contributed or allocated to the Participant's Account under this Plan would cause the Annual Additions for the Limitation Year to exceed this limitation, the amount contributed or allocated will be reduced so that the Annual Additions under all such plans and funds for the Limitation Year will equal the Maximum Annual Addition. If the Annual Additions with respect to the Participant under the other defined contribution plan(s) in the aggregate are equal to or greater than the Maximum Annual Addition, no amount will be contributed or allocated to the Participant's Account under this Plan for the Limitation Year.
- d) This (d) applies if, in addition to this Plan, the Participant is covered under another defined contribution plan, as defined in section 1.415(c)-(1)(a)(2)(i) of the regulations, (without regard to whether the plan(s) have been terminated) maintained by the Employer which provides an Annual Addition during any Limitation Year, and such other plan is an individually designed plan. The Annual Additions which may be credited to the Participant's Account under this Plan for any Limitation Year will be limited in accordance with (c) above as though the other plan were a Master or Prototype Plan.

- e) The limitation of this section shall be determined and applied taking into account the rules in subparagraph (f) below.
- f) **Other Rules**
- 1) **Aggregating Plans.** For purposes of applying the limitations of this section for a Limitation Year, all defined contribution plans (as defined in section 1.415(c)-1(a)(2)(i) of the regulations and without regard to whether the plan(s) have been terminated) ever maintained by the Employer and all defined contribution plans of a Predecessor Employer (in the Limitation Year in which such Predecessor Employer is created) under which a Participant receives Annual Additions are treated as one defined contribution plan.
 - 2) **Break-up of Affiliated Employers.** The Annual Additions under a formerly affiliated plan (as defined in section 1.415(f)-1(b)(2)(ii) of the regulations) of the Employer are taken into account for purposes of applying the limitations of this section for the Limitation Year in which the cessation of affiliation took place.
 - 3) **Previously Unaggregated Plans.** The limitations of this section are not exceeded for the first Limitation Year in which two or more existing plans, which previously were not required to be aggregated pursuant to section 1.415(f) of the regulations, are aggregated, provided that no Annual Additions are credited to a Participant after the date on which the plans are required to be aggregated if the Annual Additions already credited to the Participant in the existing plans equal or exceed the Maximum Annual Addition.
 - 4) **Aggregation with Multiemployer Plan.** If the Employer maintains a multiemployer plan, as defined in Code Section 414(f), and the multiemployer plan so provides, only the Annual Additions under the multiemployer plan that are provided by the Employer shall be treated as Annual Additions provided under a plan maintained by the Employer for purposes of this section.

Excess Amounts

This section modifies Plan Section 3.05. These modifications shall cease to apply effective as of the first day of the first Plan Year beginning on or after January 1, 2010.

Modification of the Definition of CONTRIBUTION PERCENTAGE. The definition of Contribution Percentage is modified effective as of the first day of the first Plan Year beginning on or after July 1, 2007 as follows:

For Plan Year's beginning on or after July 1, 2007, if the Plan Year and Limitation Year (as defined in Section 3.04) are the same, Pay for the Plan Year shall include amounts earned but not paid during the Plan Year solely because of the timing of pay periods and pay dates, provided the amounts are paid during the first few weeks of the next Plan Year, the amounts are included on a uniform and consistent basis with respect to all similarly situated Employees, and no Pay is included in more than one Plan Year.

Modification of the Definition of DEFERRAL PERCENTAGE. The definition of Deferral Percentage is modified effective as of the first day of the first Plan Year beginning on or after July 1, 2007 as follows:

For Plan Year's beginning on or after July 1, 2007, if the Plan Year and Limitation Year (as defined in Section 3.04) are the same, Pay for the Plan Year shall include amounts earned but not paid during the Plan Year solely because of the timing of pay periods and pay dates, provided the amounts are paid during the first few weeks of the next Plan Year, the amounts are included on a uniform and consistent basis with respect to all similarly situated Employees, and no Pay is included in more than one Plan Year.

Final Regulations under Code Section 402A

The provisions of the following sections shall be effective for taxable years beginning on or after January 1, 2006.

DIRECT ROLLOVERS OF PLAN DISTRIBUTIONS

Modification of the Definition of ELIGIBLE RETIREMENT PLAN. The definition of Eligible Retirement Plan in Plan Section 1.02 is modified as follows:

If any portion of an Eligible Rollover Distribution is attributable to payments or distributions from a designated Roth account, an Eligible Retirement Plan with respect to such portion shall also include another designated Roth account of such individual under an annuity contract described in Code Section 403(b).

Amendments to Section 1.411(d)-3 of the Regulations

The provisions of the following section are effective for Plan Years beginning on or after January 1, 2007. This section modifies Plan Section 10.01 by adding as the last paragraph the following:

For an amendment adopted after August 9, 2006, with respect to a Participant's Account attributable to our Contributions accrued as of the later of the adoption or effective date of the amendment and earnings, the vested percentage of the Participant will be the greater of the vested percentage under the old vesting schedule or the vested percentage under the new vesting schedule.

**I. Important Information**

- Beneficiary designations are legal documents stating who is to receive the death benefits and how benefits are to be paid. Without designations, benefits will usually be paid to the spouse as primary beneficiary or the participant's estate as the contingent beneficiary.
- It is required that each participant complete the Beneficiary Designation form when he/she becomes eligible to participate in the plan.
- If you are married and designate a beneficiary other than your spouse, your spouse must consent in writing on the Beneficiary Designation form. (Spouse signature **MUST BE STAMPED BY NOTARY**)
- At any time, the beneficiary information can be changed to reflect a new designation by completing a Beneficiary Designation form. The original copy of this form must be maintained in the employer's files. A copy of this form must be sent to us, so we can keep our records current. Mail, fax or email (TRSProcessing@principaltrust.com) a copy to Principal Trust
- Principal Trust Company will not accept any altered forms. Each Beneficiary Designation form must be clear and complete. We cannot accept requests with items crossed out. If we are unsure of the designation chosen, we will ask for clarification on a new form.
- Words like "or" "and/or" should not be used because it does not clearly explain how the assets should be distributed. It is recommended that the Allocation Percentage section of the Beneficiary Designation form should be completed with the percentage of assets you want allocated to each beneficiary. Allocation percentages do not have to be the same percentage for all beneficiaries, but they **must** total 100% for all primary and contingent beneficiaries.
- We strongly suggest that you consult with your attorney to determine the correct wording. Principal Trust Company is not authorized to, and cannot provide legal advice.
