St Mark Parents,

We realize that St. Mark Lutheran School is the secondary educator for its students. Parents serve as the primary instructors for their children. Therefore, our school requires the aid of volunteer/parent help.

We also realize that *all have sinned and fall short of the glory of God.* (Rom. 3:23) Because of this fact, there is a need to provide a safe environment for students. We aim to protect our students from all forms of abuse, especially sexual abuse. We also aim to provide students with safe drivers while on school field trips.

Therefore, it is the St. Mark Board of Education's policy that all parents sign a form that includes their full name and birthdate. This information will be used to check the individual's record on the Public Records of the Wisconsin Circuit Courts. All information will be kept confidential, and will be used only to maintain a safe environment for our students.

I, _____, hereby authorize St. Mark Lutheran School to use the information provided by me specifically for conducting this search to release information regarding any record of charges or convictions contained in its files, or in any criminal file maintained on me according to the Wisconsin Circuit Courts.
