**Information for completing this Denial of Paternity**

Please read these instructions and the entire form before you sign it.

A man is presumed to be the father of a child if:

1. he and the mother of the child are married to each other and child is born during the marriage;
2. he and the mother of the child were married to each other and the child is born within 300 days after the marriage is terminated by death, annulment, declaration of invalidity, dissolution of marriage, or after a decree of separation;
3. before the birth of the child, he and the mother of the child married each other in apparent compliance with law, even if the attempted marriage is or could be declared invalid, and the child is born during the invalid marriage or within 300 days after its termination by death, annulment, declaration of invalidity, a decree of separation, or dissolution of marriage;
4. after the birth of the child, he and the mother of the child married each other in apparent compliance with law, whether or not the marriage is or could be declared invalid, and he voluntarily asserted his paternity of the child, and:
  - the assertion is in a record with the Oklahoma State Department of Health (OSDH), Division of Vital Records, or OKDHS;
  - he agreed to be and is named as the child's father on the child's birth certificate; or
  - he promised in a record to support the child as his own; or
5. for the first two years of the child's life, he resided in the same household with the child and openly held out the child as his own.

Only a presumed father may sign a Denial of Paternity. The denial is valid only if:

1. an Acknowledgment of Paternity is signed by another man and is filed with the OSDH Division of Vital Records;
2. the denial is in writing and is signed under penalty of perjury;
3. the presumed father has not previously:
  - acknowledged his paternity, unless the previous acknowledgment has been rescinded or successfully challenged; or
  - been determined to be the father of the child by a court; and
4. the denial is signed before the child is two years old.

If the presumed father is unwilling or unable to sign this denial, the presumed father will be the legal father of the child and will be named as the father on the birth certificate. When the presumed father will not sign, the only way to remove the presumed father's name and add the natural father's name on the child's birth certificate is by court order.
