(i.e. CME starting at 2:00 pm will be cancelled if the warning signal is hoisted or in force any time between 11:00 am and 2:00 pm).

The function will proceed as scheduled if the signal is lowered three hours before the commencement time. (i.e. CME starting at 2:00 pm will proceed if the warning signal is lowered at 11:00 am, but will be cancelled even if it is lowered at 11:01 am).

When Tropical Storm Warning Signal No. 8 (or above) or the Black Rainstorm Warning Signal is hoisted after CME commencement, announcement will be made depending on the conditions as to whether the CME will be terminated earlier or be conducted until the end of the session.
