IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

Shares of the Fund have not been registered for sale outside the U.S. The fund generally does not sell shares to investors residing outside the U.S., even if they are U.S. citizens or lawful permanent residents, except to investors with U.S. military APO (Army Post Office) or FPO (Fleet Post Office) addresses.

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you:

When you open an account, we will ask your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. For certain entities, such as trusts, estates, corporations, partnerships, or other organizations, identifying documentation is also required. Your account may be restricted and/or closed if we cannot verify this information. We will not be responsible for any losses or damages (including but not limited to lost opportunities and adverse tax consequences) resulting from any failure to provide this information, or from any restriction placed upon, or closing of, your account. By opening an account, you signify you agree to these procedures and accept responsibility for any losses or damages resulting from their implementation.
