2014 SONOMA COUNTY HARVEST FAIR COMMERCIAL / CONCESSION VENDOR POLICIES

It is the policy of the Harvest Fair Concessions Committee to promote primarily Sonoma County products, crafts, agriculture, and other endeavors when possible. Preferences are given to local businesses, especially those that are agriculture related. Together we can show the public the offerings of our county.

The criteria shall be as follows:

1. Commercial/Concession vendor space applications will be accepted in the Administration office of the Sonoma County Harvest Fair. Locations will be assigned at the discretion of the Harvest Fair management.
2. If two or more requests for any space are received and all are responsible vendors with proposed attractive stands and competitive merchandise, preference may be given to the local applicant. If all or none are local residents, then staff will canvass other fairs, exhibitions, or other reputable sources to determine if one or another was superior in service, cooperation, etc. A choice will be made, a one-year license agreement tendered with subsequent evaluation to follow during and following the fair.
3. The reputation and standing of the vendor throughout the fair circuit will be considered, i.e., review of the vendor's performance at other fairs.
4. The necessity of the commercial/concession vendor is considered based upon the number and kinds of like attractions already on the fairgrounds that year.
5. The conduct of commercial/concession vendors towards directors, management, employees, and customers will be evaluated as part of the criteria for continued space at the fair. Any conduct during the fair that results in a citizen's written complaint may be reason for immediate expulsion from the premises with no refund.
6. Commercial/Concession vendors are expected to provide quick and friendly answers to any complaints by fair patrons, i.e., the prompt replacement of a damaged article, a refund of the customer's money if requested, etc.
7. Vendors are not allowed to collect donations or contributions for other organizations during the Harvest Fair.
8. Any Farmers Market, Farm Trails Member, Nonprofit Ag. Organization, Nonprofit Community Service Group selling food products that are intended to be consumed on-grounds shall be considered a food concessionaire.
9. Any Farmers Market, Farm Trails Member, Nonprofit Agricultural Organization, Nonprofit Community Service Group member selling merchandise during the Fair will be charged a seller's fee of \$100.00.
10. Minimum requirements include meeting all health, fire, and safety requirements. All applications submitted must have a picture of the proposed booth. Only the most attractive units will be considered.
11. Vendor space is subject to relocation if deemed necessary by the Fair. Commercial/Concession vendors shall not assign, sublease, or apportion the assigned space or any part thereof, unless first obtaining written permission by the Fair. The right to operate a booth on the Fairgrounds is nontransferable and is nonproprietary.
12. The Fair reserves the rights to prohibit a vendor or any part thereof, which in the sole judgment of the Fair may be objectionable or offensive to neighboring stands or to the public. This restriction extends without limitation to persons, things, conduct, signage, or printed matter. **No balloons or stickers may be given out. Sharp object policy must be adhered to.**
13. Conformance to the rules and regulations of the Sonoma County Harvest Fair is required as stated on the license agreement and all printed material. Rules are strictly enforced, and any violation may result in termination of the contract. Food concessions are required to have a current Sonoma County Health Permit, cash registers and follow audit procedures.
14. The Fair requires that all Commercial/Concession vendors have liability insurance. The Fair requires each vendor have a certificate of insurance per booth on file 30 days prior to opening day of the Fair, and it shall be in full force and effect during the term of the license agreement (including period of set-up and clean-up). The minimum coverage is \$1 million combined single limit per occurrence to cover public liability and property damage. The Sonoma County Harvest Fair and the Sonoma County Fair & Exposition, Inc. must be named as additional insured for the duration of the Fair (including set-up and teardown days).
