

CAREER VICTORIES

The THSCA will award a certificate/plaque to honor coaches in football, baseball, basketball, soccer, track, golf, softball and wrestling. It will be each coach's responsibility to mail information to the THSCA as soon as the career victory mark is passed. Coaches must also include their coaching record at each school (varsity level) and the number of wins per season at each school. It is very important to denote head coaching victories from assistant coach victories. Assistant coaches will only be awarded certificates and must count victories in VARSITY sports only. Certificates will be mailed as soon as the forms can be processed. Plaques will be presented at Coaching School or mailed at recipient's request.

Football	100 victories	certificate
	200 victories	plaque
Basketball	300 victories	certificate
	500 victories	plaque
Baseball/Softball	300 victories	certificate
	500 victories	plaque
