

AMWA-DVC Presents “An Evening with Dear Edie” on September 19th

Our September dinner meeting will feature the wit and wisdom of chapter member Edie Schwager. Known to most of us as Dear Edie, she is the creator of the column by the same name in the *AMWA Journal*.

During this interactive session, Edie will entertain your questions regarding English language and usage. A writer, teacher and editor, Edie is one of AMWA's most popular workshop presenters and is considered the last word on questions of medical English usage and abuse. She is the author of two popular books, has edited numerous books and articles and is the recipient of many prestigious awards, including the AMWA President's award and the Golden Apple.
