SWIMMING INSTRUCTION

We offer swimming lessons to the beginner with little or no experience in the water. We also offer more advanced instruction for those ready to master the four competitive strokes as they increase their endurance.

Our goal is that each child enrolled in our program will learn to swim safely and enjoy the water. We hope each child will become accomplished enough to join a competitive swim team and use swimming as a lifetime fitness sport. Ages 6-15.

Note—Shallow end is 3 1/2 feet deep.

Featuring:

- A step-by-step progression of basic fundamental swimming and water safety skills.
- An emphasis on team work and sportsmanship.
- An enthusiastic staff with swimming expertise.
- Land skills and water games
- A developmental program for competitive swimming and diving.*

*Must be able to complete 25 yards of crawl stroke with rhythmic breathing

DIVING INSTRUCTION

No experience necessary. Let go of your fear and leave that belly flop behind! This course will help students ages 7—15 learn the basics of the competitive dive while mastering the skills necessary to execute graceful springboard front and back dives in various competitive positions such as tuck and pike. Each student should bring a bathing suit, towel, and sneakers. Goggles and bathing caps are optional.

The Brockton Public Schools does not discriminate on the basis of race, color, national origin, age, sex, veteran's status, sexual orientation or disability in admission to, access to, treatment in or employment in its programs and activities
