

Child Champions

Our church:
Rebuilding
Hope at Home

Be a Champion. Take a stand against child poverty.

Our church is united to change the lives of children living in poverty here in the United States. We are hosting a Child Champions event because that's what we want to share—the hope of Christ. Pray now about this opportunity we have to embrace God's heart for the poor and join him in his work. What does God ask of you?

Child Champions changes lives

You can be part of a growing network of Child Champions helping to transform lives through:

- Academic enrichment programs and scholarships
- School supplies
- Essential items such as clothing personal hygiene supplies, household cleaning products, and building materials.
- Disaster response
- Training for community organizations to empower you

At World Vision we see the deep effects of poverty in our own backyard. The Child Champions program is our response to the urgent problem.

A partnership you can trust

Motivated by our faith in Jesus Christ, World Vision serves alongside the poor and oppressed as a demonstration of God's unconditional love for all people.

We are very careful with how we use the gifts our donors entrust to us—because we know that every resource given to us can transform a real child's life.

We're always trying to keep our overhead rate low. In the past year, we used 83 percent of our total operating expenses for programs that directly benefit children, families, and communities.

You can make a difference

Right now, 1 in every 5 children in the United States is living in poverty.

Child Champions demonstrates God's love by helping fight poverty and creating a future full of hope for the children. By reaching out to children in need, you can answer God's call to serve the poor.

World Vision is a Christian humanitarian organization dedicated to working with children, families, and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice.
