ClearClasp® Envelopes

Quality Park ClearClasp® envelopes feature a resealable Redi-Tac™ closure which replaces the traditional metal clasp for repeated use in filing or storage. They also feature adhesive on the flap for a permanent seal making them ideal for mailing. ClearClasp® envelopes save money in postage by eliminating the additional USPS handling charges that are required for metal clasp envelopes.

RFID Protective Sleeves

Protect your personal information on chip enhanced driver's licenses and other cards with Quality Park's RFID Protective Sleeves. The material used to construct the sleeves creates a barrier to provide shielding against unauthorized RFID (Radio Frequency Identification) readers. Sleeves nest in your wallet to protect driver's licenses, identification cards, public transit cards, medical cards and 13.56MHz keyless entry security system cards. Treated with an antimicrobial agent* to protect the envelopes from the growth of bacteria, mold, mildew, fungus and odors.
