Vendor Evaluation

This form will help you evaluate the overall performance of vendors you are currently working with or plan to work with. Include all vital information associated with the vendor in the top portion of the form. In the bottom portion of the form, apply a strength factor, 5 being the strongest, to each item you evaluate. Total each column once you conclude the evaluation. Add up the columns to arrive at a total. Compare that total against the totals of similar vendors to gauge the vendor's performance.
