Sisters & Brothers:

Well here we are only a short time left before we gather to celebrate our 100th birthday at our Grand Chapter Session – August 29 – Sept 1, 2015.

The excitement is building about special things that are happening and I wish to remind you of the concert that will be happening on Monday evening from 7PM-9PM.

This will take place in the Grand chapter room and will be performed by our Canadian fiddle champion - “Scott Woods and his Band” and includes step dancing, trick fiddling and family humour. The program is called “O Canada EH” and promises to be a truly wonderful performance.
