Dear Recipient (pull from mail file)

Federal Law requires the Department of Human Services to send this Form 1095-B to you. It is a tax document with information about health coverage during 2015 for you, your spouse or people you claim as dependents. While it is important that you keep this form with other tax records, it is not necessary for you to attach it to your income tax return.

Not everyone in your household may receive their form on the same day. If you need a replacement form or believe you should have received a form but have not by Feb. 5, 2016, the fastest way to get one is by printing one at www.getmy1095b.com. You may also request a replacement form by calling us at (844)461-3860. Allow at least two weeks for replacement forms to arrive in the mail.

If you have questions about what you need to do with this form, you may call us at (844)461-3860.

If your Social Security number is wrong or you disagree with the reported months of coverage visit your local DHS office.
