Abstracts

This report analyzes the worldwide markets for Auto Parts and Accessories in Billions of US\$ by the following Product Categories: Mechanical, Electrical, Electronic, and Exterior & Structural.

The report provides separate comprehensive analytics for the US, Canada, Japan, Europe, Asia Pacific, Latin America, and Rest of World.

Annual estimates and forecasts are provided for the period 2007 through 2015.

A seven-year historic analysis is also provided for these markets.

The report profiles 1149 companies including many key and niche players such as Arvinmeritor, Inc., Dana Holding Corporation, Delphi Corporation, Denso Corporation, Johnson Controls, Inc., Lear Corporation, Magna International Inc., Robert Bosch GmbH, TRW Automotive Holdings Corp., and Visteon Corporation.

Market data and analytics are derived from primary and secondary research.

Company profiles are mostly extracted from URL research and reported select online sources.

3.MARKET DYNAMICS

Supplier Industry Structure – Role Shift Results in New Configuration

A Strategic Insight

Tier-1 Suppliers

Current Scenario

Options

Implications

A Few Examples

Tier-2 and Tier-3 Suppliers

Supplier Transition from Tier-3 to Tier-1

Growth Strategy

Supplier Recognition – Does Size Matter?

Strategic Options

Expansion Strategies

Increased Modular System Production

Global Expansion

Investment in High-tech / Niche-Components

Focus on Aftermarket

New OEM Contracts Less Exposed to Downturn

Containment Strategies

Lay offs

Cost-Reduction

Divestment of Non-Core Operations

4.INDUSTRY TRENDS
