iPeople Inc. Fundamental Company Report Including Financial, SWOT, Competitors and Industry Analysis

Date: February 15, 2014

Pages: 50

Price: US\$ 499.00

ID: I0643FD2F23EN

iPeople Inc. Fundamental Company Report provides a complete overview of the company's affairs. All available data is presented in a comprehensive and easily accessed format. The report includes financial and SWOT information, industry analysis, opinions, estimates, plus annual and quarterly forecasts made by stock market experts. The report also enables direct comparison to be made between iPeople Inc. and its competitors. This provides our Clients with a clear understanding of iPeople Inc. position in the **Diversified Services Industry**.

- The report contains detailed information about iPeople Inc. that gives an unrivalled in-depth knowledge about internal business-environment of the company: data about the owners, senior executives, locations, subsidiaries, markets, products, and company history.
- Another part of the report is a SWOT-analysis carried out for iPeople Inc.. It involves specifying the objective of the company's business and identifies the different factors that are favorable and unfavorable to achieving that objective. SWOT-analysis helps to understand company's strengths, weaknesses, opportunities, and possible threats against it.
- The iPeople Inc. financial analysis covers the income statement and ratio trend-charts with balance sheets and cash flows presented on an annual and quarterly basis. The report outlines the main financial ratios pertaining to profitability, margin analysis, asset turnover, credit ratios, and company's long-term solvency. This sort of company's information will assist and strengthen your company's decision-making processes.
- In the part that describes iPeople Inc. competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of iPeople Inc. business.

About iPeople Inc.

iPeople, inc. engages in the business of education and information technology services in Philippines. The company, through its wholly owned subsidiary, Malayan Colleges, Inc., offers engineering and architecture education services. It also offers Bachelor's and Master's degrees in the field of engineering and architecture; and Bachelor of Science (BS) programs in information technology (IT) and information management. In addition, the company provides engineering consultancy and testing services; associate degree programs and short courses in the areas of IT; undergraduate programs in the areas of material science and engineering, geological engineering and geology; BS Biotechnology programs; Master of Science Computer programs; and BS Nursing programs. Further, it provides customer relationship management, document management, data center operations, technical support, and project management and consultancy services, as well as engages in business software development, Internet application

development, and IT staffing services. The company was formerly known as Petrofields Exploration and Development Company, Inc. and changed its name to iPeople, inc. in 1997 due to its focus change to education and information technology services business. The company was founded in 1989 and is based in Makati City, the Philippines. iPeople, inc. is a subsidiary of House of Investments, Inc.
