This training is funded by the Productivity Places Program and covers the skills and knowledge defined in the nationally recognised unit of competence *CHCMH401A Work effectively in Mental health settings*.

Those registering will be required to complete the assessment for this unit.

Registrations must be received no later than 2 weeks prior to scheduled training

Training may be cancelled if insufficient registrations are received

No refunds will be provided for non-attendance or cancellations within 5 business days of the training

The organisation may substitute attendees if ATDC is notified before commencement of training

Personal Information collected by the ATDC on this form will be provided to the TSI for your formal enrolment in the course and used to by ATDC to register and correspond with you in relation to this event and similar workforce development events which may be of interest.
