

Before and After School Care Service 2015-2016 for ECS Students

Please complete one form for each student. Check your choice of care. Program changes will only accepted until the end of September 2015.

Child care is until 3:30 pm or 5:30 pm. Please pick up your child promptly by 3:30 pm or 5:30 pm. *If a situation occurs where you are late, an additional \$20 per instance per child will be charged.*

Drop-in students are charged at \$10/hr. Students staying for less than a full hour will have their partial hours added cumulatively to count towards full hours which are then invoiced.

Important:

Due to large holiday breaks throughout the year when a full monthly fee is charged for less than a full month, Before and After School Care is offered in June but not charged, for yearly subscribers only.

Monthly rates are not adjusted for days missed or less time spent than the daily program operates.
