## INDEPENDENT READING LOG for Accelerated Reader books

Name \_\_\_\_\_ Period \_\_\_\_\_

Week of \_\_\_\_\_

The homework assignment in Reading class is to read 15-30 minutes in a chosen Accelerated Reader book at least five days a week.

Students must read a selected number of books, and pass the AR quiz for each with at least 60% score to earn the following independent reading/homework grade each quarter:

- A 4 books
- B 3 books
- C 2 books
- D 1 book

Letter grades will be converted to percentages based on Accelerated Reader scores.  
This is worth 33% of the quarter grade.

In addition, students must keep daily logs of homework reading. Logs should be filled in neatly and completely, and reviewed before taking AR quiz. Logs should be brought to class each day along with AR book. They will be collected periodically throughout the quarter for a grade.
