12th Annual

RCI HAWAII WINTER WORKSHOP

Investigation, Analysis and Design of Roofing, Waterproofing and Exterior Walls on Commercial and Residential Buildings

January 23-24, 2012 at the

Waikiki Beach Marriott Resort, Honolulu, HI

EARN 12.5 AIA LU'S and/or 12.5 RCI CEH'S

INVITATION

You are cordially invited to join us as we return to Honolulu, Hawaii for our 12th Annual RCI Hawaii Winter Workshop at the Waikiki Beach Marriott Resort on Monday January 23 and Tuesday January 24, 2011. This program is designed to improve the skills and knowledge base of design and forensics professionals (consultants, architects and engineers), developers and contractors. The program sessions focus on design, analysis and trouble shooting of roofing, waterproofing and exterior wall issues for residential and commercial buildings. Each attendee will receive a workbook with white papers on each presentation and 12.5 AIA LU's and/or 12.5 RCI CEU's. The programs will begin each day at 7:30 am and end approximately 5:00 pm. Breakfast and lunch are included with each registration. Registrations forms and detailed program information, including abstracts and speaker biographies, are available at <http://www.rcisocalchapter.org/events.html>.

PROGRAM SESSIONS

- **Condensation: Using Thermography to Identify Temperatures in Wall and Roof Assemblies**, presented by Scott Wood, Scott Wood Associates, LLC., Gig harbor, WA
- **Condensation Related Wood Rot and Mold Growth: The Under Appreciated Role of Air Intrusion**, presented by Phillip Dregger, PE, RRC, Pacific Building Consultants, Concord, CA.
- **Rooftop Solar PV: Key Considerations for Success from a Roof Consultants Perspective**, presented by Phillip Dregger, PE, RRC, Pacific Building Consultants, Concord, CA.
- **Designing Single-ply Membrane "Cool Roof" Systems for Service and Durability**, presented by Thomas W. Hutchinson, AIA, CSI, FRCI, RRC, Hutchinson Design Group, Barrington, IL.
- **Understanding Long-term Weathering Performance of TPO Roofing Membranes**, presented by Thomas J. Taylor, Executive Director, Single Ply Systems Development, GAF, Wayne, NJ.
- **Bonded Pull Tests are Not Just for Your Roof Membranes Anymore, A Review of ASTM E 2359**, presented by Robért Hinojosa, PE, RRC, RWC, RRO, Building Engineering-Consultants, Inc., Destin, FL
- **Design Considerations for Open Joint Rainscreen Cladding System**, presented by Stéphane P. Hoffman, M.Eng., M.Arch., B.A.Sc., P.Eng., Building Engineering Group of Morrison Hershfield.
- **Understanding ANSI/SPRI ES-1**, Presented by Bob LeClare, Vice President of Sales for the W.P. Hickman Co., Arden, NC
- **Metal Edge Systems for Low Slope Roofs: Design, Testing, and Performance**, Presented by Bob LeClare, Vice President of Sales for the W.P. Hickman Company, Arden, NC
- **Single Family Residential Air-Leakage Testing? Mandated?** Presented by Don DeGroot, Senior Consultant, IBA Consultants, Bellevue, WA

HOTEL INFORMATION

The Waikiki Beach Marriott Resort, located at 2552 Kalakaua Avenue, Honolulu, Hawaii, 96815, has provided RCI a **special group rate of \$169 single/double occupancy partial ocean view or \$199 ocean view + 11.962% occupancy tax**.
