The bid may be rejected if the State deems, at the conclusion of the responsibility hearing, that the bidder is not responsible.

IX. BASIS FOR AWARD

The award of an Agreement, if it is to be awarded, will be made to the lowest responsible bidder whose bid complies with all requirements prescribed herein. In the event a bidder submits more than one (1) bid for the same institution/service under this bid process, the State shall select the lowest bid and reject all other bids from this bidder.

In the event of tie bids, except as provided in Government Code §14838(f), CDCR reserves the right to determine the bidder entitled to the contract award based on the percent of discount specified in Exhibit B-2, if applicable. If not applicable or if there is a discount tie, a coin toss or lot drawing will be used to determine the bidder entitled to the contract award. The coin toss or lot drawing will be officially witnessed and all affected bidders will be advised of the tiebreaker method and invited to attend.

The State is not required to award an Agreement and reserves the right to reject any and all bids and to waive any immaterial deviations in the bid. The State's waiver of an immaterial deviation shall in no way modify the IFB document or excuse the bidder from full compliance with all requirements if awarded the Agreement.

Upon receipt, the Contractor must sign each Agreement with an original signature and return all Agreements with any required documentation in accordance with the time frame specified in the transmittal letter. In the event the State has not received the signed Agreements and the required documentation within the specified time frame, the award may be rescinded and awarded to the next lowest responsible bidder.

This Agreement is not valid unless and until approved by the Department of General Services, or, under its authority CDCR. The State has no legal obligation unless and until the Agreement is approved. Any work commenced by the Contractor prior to approval may be considered voluntary and the Contractor may have to pursue claim for payment by filing with the California Victim Compensation and Government Claims Board. When the Agreement is fully approved, a copy will be forwarded to you.

The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The

Contractor's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

Bidder shall provide rate(s) on Exhibit B-2 and a copy of the Contractor's Published Price List. Bidder shall set forth rates in clear, legible figures in the spaces provided in Exhibit B-2. Failure to provide the required rates shall be cause for rejection of your bid.

NOTE:

1. Any quantities listed on Exhibit B-2 are CDCR's estimates only and are offered as a basis for the comparison of bids. The State does not expressly or by implication agree that the actual amount of work will correspond therewith and reserves the right to omit portions of the work as may be deemed necessary or advisable by the State.
2. In the case of a discrepancy between the Unit Price (e.g., Hourly Rate, Cost per Service) and Item Total (e.g., Hourly Rate x Hours Worked = Item Total), the Unit Price shall prevail. However, if the Unit Price figure is ambiguous, illegible, uncertain, or is omitted, the Item Total shall be divided by the estimated usage (e.g., Hours Worked) to determine the Unit Price. SMALL BUSINESS PREFERENCE

Current law encourages State departments to consider a Small Business (SB) Enterprise/Microbusiness (MB) Enterprise for contracting opportunities first. CDCR is committed to supporting SB/MB participation in state contracting and seeks to use certified SB/MB whenever possible.

A SB/MB enterprise is defined as a business certified by the Department of General Services (DGS), Office of Small Business and Disabled Veteran Business Enterprise Certification Services (OSDS) in which:

1. The principal office is located in California.
2. The officers are domiciled in California.
3. The business is independently owned and operated.
4. The business, with any affiliates, is not dominant in its field of operation; and,
5. a. For SB, either:
 - (1) The business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of \$14,000,000 or less over the previous three years, or
 - (2) The business is a manufacturer with 100 or fewer employees
- b. For MB, either:
 - (1) The business, together with any affiliates, has 25 or fewer employees and averaged annual gross receipts of \$3,500,000 or less over the previous three years, or
 - (2) The business is a manufacturer with 25 or fewer employees.

Pursuant to Government Code (GC) Section 14838 a five percent (5%) bid preference shall be given to bidders who qualify as a SB/MB. The rules and regulations of this law are contained in Title 2, California Code of Regulations (CCR), Section 1896, et seq. A copy of the regulation is available upon request.

To claim the SB/MB bid preference, which may not exceed \$50,000 for any bid, your firm must have a completed application (including proof of annual receipts) on file with the DGS, OSDS, by 5:00 p.m. on the date bids are due, and receipt verified by such office. Therefore, if you are a SB/MB, but are not certified, it is to your advantage to become certified. For certification and preference approval process information, contact the OSDS by telephone at (916) 375-4940 or access the OSDS Internet website at <http://www.dgs.ca.gov/pd/programs/OSDS.aspx>.

DISABLED VETERAN BUSINESS ENTERPRISE INCENTIVE

CDCR is committed to meeting and exceeding the three percent (3%) goal for Disabled Veteran Business Enterprise (DVBE) participation in State contracting activities, set forth in Military and Veterans Code (MVC) Section 999. The DVBE Incentive Program applies to all contracting activities for services including public works, construction, services, leasing, materials testing, and other related contracts. The DVBE incentive is applied during the bid evaluation process

and is only applied to responsive bids from responsible bidders proposing DVBE participation. This incentive is for bid evaluation only.
<http://www.dgs.ca.gov/pd/programs/OSDS.aspx>

Award Based on Low Price

The incentive shall be equal to a bidder's DVBE participation level (rounded to the nearest two decimal places).

DVBE PARTICIPATION LEVEL	INCENTIVE APPLIED
1.0 - 1.99%	1%
2.0 UP TO 2.99%	2%
3.0 UP TO 3.99%	3%
4.0 UP TO 4.99%	4%
5.0 UP TO 5.99%	5%

1. The incentive is subject to a minimum of one percent (1%) and a maximum of five percent (5%) and will not exceed \$500,000. Bids with DVBE participation of more than five percent (5%) will be calculated with a five percent (5%) incentive.
2. Bidders with DVBE participation of less than the required percentage listed in the solicitation will be deemed non-responsive and eliminated from any further participation.
3. The SB preference [five percent (5%) up to \$50,000] may be combined with the DVBE incentive but will not exceed a combined total of \$500,000.
4. The DVBE incentive is computed from the lowest responsive and responsible bidder's bid amount.

NON-SMALL BUSINESS PREFERENCE REQUEST

Pursuant to GC Section 14838, et seq., and Title 2, CCR Section § 1896, et seq., a bid preference of five percent (5%) is available to a responsive non-small business claiming no less than twenty-five percent (25%), SB/MB subcontractor participation with one or more SB/MB enterprises. This preference is considered only if the tentative low bidder is not a certified SB/MB.

In applying the Non-Small Business Preference Request, no bid price will be reduced by more than \$50,000. This preference cost adjustment is for bid evaluation purposes only and does not alter the actual cost offered by the bidder.

A non-small business is defined as a responsive/responsible bidder that is not certified by the DGS OSDS as a SB/MB enterprise.

To be eligible for the Non-Small Business Preference, the business contractor must complete and submit an OBS 555 (Non-Small Business Preference Request and Subcontractor Acknowledgement) with their bid proposal.

NONPROFIT VETERAN SERVICE AGENCY (NVSA) SMALL BUSINESS PREFERENCE

Pursuant to Military and Veterans Code (MVC) Section 999.50 et seq., Nonprofit Veteran Service Agencies (NVSAs) claiming SB/MB bid preference and verified as such in the relevant category or business type, will be granted a preference of five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a SB/MB enterprise.

In granting SB/MB bid preference to NVSAs, no bid will be reduced by more than \$50,000. The preference cost adjustment is for bid evaluation purposes only and does not alter the actual cost offered by the bidder.

To be eligible for the NVSA SB/MB bid preference, the business must already possess a valid certification prior to bid submission.

An SB/NVSA is not subject to the same standards as other certified SB/MB enterprises. SB/NVSA standards are identified in MVC Section 999.51(a)(3).

**IDENTIFICATION OF CONTRACTORS, SUBCONTRACTORS, CONSULTANTS;
SMALL/MICRO BUSINESSES AND DVBEs**

CDCR must identify all contractors, subcontractors, and consultants who will provide labor or render services in the performance of this Agreement and further identify whether any of the listed subcontractors and consultants are a certified SB/MB or a certified DVBE. Therefore, the bidder must complete a Subcontractor/Consultant List (OBS Form 4002). If any changes occur in the submitted original OBS Form 4002, the contractor shall notify the Office of Business Services (OBS), in writing within ten (10) working days of those changes, including any changes to SB/MB enterprise or DVBE status.

CDCR asks that you encourage any subcontractor(s) and/or consultant(s) not currently certified as a SB/MB enterprise or DVBE that may meet the certification requirements specified herein to become certified through the DGS, OSDS. Please provide those subcontractor(s)/consultant(s) the OSDS contact and certification information provided in OBS Form 4002.

If you are a certified SB/MB enterprise and fail to complete the Prime Contractor information section below, your business shall be classified as a large business, which will preclude your bid from receiving the five percent (5%) SB/MB bid preference and cause incorrect reporting of SB/MB enterprise and large business participation by CDCR.

If you are a certified DVBE and fail to complete the Prime Contractor information section below, your business shall be classified as a large business, which will preclude your bid from receiving any range of the DVBE incentive and cause incorrect reporting of DVBE participation by CDCR.

1. Contract Disputes (Supersedes provision number 6, Disputes, of Exhibit C)

As a condition precedent to contractor's right to institute and pursue litigation or other legally available dispute resolution process, if any, contractor agrees that all disputes and/or claims of contractor arising under or related to the Agreement shall be resolved pursuant to the following processes. Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

a. Final Payment

The acceptance by contractor of final payment shall release the California Department of Corrections and Rehabilitation (CDCR) from all claims, demands and liability to contractor for everything done or furnished in connection with this work and from every act and neglect of CDCR and others relating to or arising out of this work except for any claim previously accepted and/or in process of resolution.

b. Informal Appeal

Contractor and the program or institution contract liaison, or other designated CDCR employee of the unit for which the goods are being delivered or the service is being performed, shall first attempt in good faith to resolve the dispute or claim by informal discussion(s). Contractor shall identify the issues and the relief sought. Informal discussion(s) between contractor and contract liaison, or the designated CDCR employee, shall be written, dated, and signed by the authors.

The program or institution contract liaison shall issue an informal written statement to contractor regarding the dispute within fifteen (15) calendar days following settlement or an impasse in the informal discussion(s) process. The written statement shall either: (1) document the dispute settlement and what, if any, conditions were reached; or, (2) document the reason(s) the dispute could not be resolved informally and provide notification to contractor of its option to file a formal appeal within thirty (30) days of the informal statement. One (1) copy of the informal statement and the discussion(s) on which it is based shall be forwarded immediately to the Office of Business Services (OBS) for inclusion in the Agreement file.

c. Formal Appeal

If the dispute or claim is not resolved to contractor's satisfaction by the informal appeal process, contractor may file with the Associate Director, OBS, and a formal written appeal within thirty (30) calendar days of the date of CDCR's informal written decision. The formal written appeal shall be addressed as follows:

(SUBJECT)

Associate Director
Office of Business Services
California Department of Corrections and Rehabilitation
10000 Goethe Road, Suite C-1
Sacramento, CA 95827

Contractor shall specify in the formal written appeal the issue(s) in dispute, the particular relief or remedy sought, the factual basis for contractor's claim or dispute, and contractor's legal, technical and/or other authority upon which contractor bases its claim or dispute.

The formal written appeal shall include a written certification signed by a knowledgeable company official under the penalty of perjury according to the laws of the State of California pursuant to California Code of Civil Procedure Section 2015.5 that the dispute, claim, or demand is made in good faith, and that the supporting data are accurate and complete. If an Agreement adjustment is requested, the written certification shall further state under penalty of perjury that the relief requested accurately reflects the Agreement adjustment for which the CDCR is responsible.

If contractor is a corporation, the written certification shall be signed by an officer thereof. If contractor is a sole proprietorship or partnership, it shall be signed by an owner or full partner. If contractor is other than a corporation, sole proprietorship or partnership, it shall be signed by a principal of the company with authority to bind the company.

The Associate Director, OBS, shall issue a formal written decision on behalf of CDCR within thirty (30) calendar days of receipt of the properly addressed formal written appeal. If mutually agreed by the parties, the date for the issuance of CDCR's final written decision may be extended.

d. Further Resolution

If the dispute is not resolved by the formal appeal process to contractor's satisfaction, or contractor has not received a written decision from the Associate Director, OBS, after thirty (30) calendar days, or other mutually agreed extension, contractor may thereafter pursue its right to institute other dispute resolution process, if any, available under the laws of the State of California.

e. Contract Disputes with Public Entities

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

2. Right to Terminate (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The State reserves the right to terminate this Agreement subject to thirty (30) calendar day written notice to the contractor. Contractor may submit a written request to terminate this Agreement only if the State should substantially fail to perform its responsibilities as provided herein.

Additionally, the State reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the contractor should it be later identified as a service which can be consolidated into a statewide/regionalized Agreement. The State may exercise its option to cancel the remaining years of this Agreement, should it be decided that with additional institutions and/or sites, the State would receive a better rate for the same service.

However, the State can immediately terminate this Agreement for cause. The term "for cause" shall mean that the contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the Agreement termination shall be effective as of the date indicated on the State's notification to the contractor.

This Agreement may be suspended or cancelled without notice, at the option of the contractor, if the contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the contractor is unable to render service as a result of any action by any governmental authority.

3. Contract Suspension

Notwithstanding any other provisions of this Agreement, pursuant to a Governor's Executive Order or equivalent directive, such as a court order or an order from a federal or state regulatory agency, mandating the suspension of state contracts, the State may issue a Suspension of Work Notice. The Notice shall identify the specific Executive Order or directive and the Agreement number(s) subject to suspension. Unless specifically stated otherwise, all performance under the Agreement(s) must stop immediately upon receipt of the Notice. During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the Department will be issued to the Contractor to resume work.

4. Responsibility Hearing

If this Agreement is terminated for cause, CDCR reserves the right to conduct a responsibility hearing to determine if the contractor is a responsible bidder before an award of future Agreements can be made.

5. Confidentiality of Data

All financial, statistical, personal, technical and other data and information relating to State's operation, which are designated confidential by the State and made available to carry out this Agreement, or which become available to the contractor in order to carry out this Agreement, shall be protected by the contractor from unauthorized use and disclosure.

If the methods and procedures employed by the contractor for the protection of the contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State. The contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the contractor's possession that is independently developed by the contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) in violation of any State or federal law.

Contractor by acceptance of this Agreement is subject to all of the requirements of California Government Code Section 11019.9 and California Civil Code Sections 1798, et seq., regarding the collection, maintenance, and disclosure of personal and confidential information about individuals.

6. Liability for Loss and Damages

Any damages by the contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due contractor under this Agreement.

7. Computer Software Management Memo

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

8. Accounting Principles

The contractor will adhere to generally accepted accounting principles as outlined by the American Institute of Certified Public Accountants. Dual compensation is not allowed; a contractor cannot receive simultaneous compensation from two or more funding sources for the same services performed even though both funding sources could benefit.

9. Liability for Nonconforming Work

All work provided by the contractor shall conform to the latest requirement of federal, state, city and county regulations. Contractor is responsible for compliance with all applicable laws, codes, rules and regulations in connection with work performed under this Agreement.

The contractor will be fully responsible for ensuring that the completed work conforms to the agreed upon terms. If nonconformity is discovered prior to the contractor's deadline, the contractor will be given a reasonable opportunity to cure the nonconformity. If the nonconformity is discovered after the deadline for the completion of the project, CDCR, in its sole discretion, may use any reasonable means to cure the nonconformity. The contractor shall be responsible for reimbursing CDCR for any additional expenses incurred to cure such defects.

10. Subcontractor/Consultant Information

Contractor is required to identify all subcontractors and consultants who will perform labor or render services in the performance of this Agreement. Additionally, the contractor shall notify CDCR, OBS in writing within ten (10) working days of any changes to the subcontractor and/or consultant information.

11. Contract Violations

The contractor acknowledges that any violation of Chapter 2 or any other chaptered provision of the Public Contract Code (PCC) is subject to the remedies and penalties contained in PCC Sections 10420 through 10425.

12. Temporary Nonperformance

If, because of mechanical failure or for any other reason, the contractor shall be temporarily unable to perform the work as required, the State, during the period of the contractor's inability to perform, reserves the right to accomplish the work by other means and shall be reimbursed by the contractor for any additional costs above the Agreement price.

13. Extension of Term

If it is determined to be in the best interest of the State this Agreement may be amended to extend the term. Upon signing the amendment, the Contractor hereby agrees to provide services for the extended period at the rates specified in the original Agreement.

14. Employment of Ex-Offenders

Contractor cannot and will not either directly, or on a subcontract basis, employ in connection with this Agreement:

- a. Ex-Offenders on active parole or probation, who have been on active parole or probation during the last three years preceding their employment;
- b. Ex-offenders convicted of drug trafficking in a prison/jail; escape or aiding/abetting escape; battery on a Peace Officer or Public Official; arson offenses; or, any violations of Penal Code Sections 4570-4574 (unauthorized Communications with Prisons and Prisoners Offenses).
- c. Ex-Offenders required to register as a sex offender pursuant to Penal Code Section 290 or if such ex-offender has an offense history involving a "violent felony" as defined in subparagraph (c) of Penal Code Section 667.5; or
- d. Any ex-offender in a position which provides direct supervision of parolees, except in the following instances:
 1. Contractor shall only employ ex-offenders who can provide written evidence of having satisfactorily completed parole or probation, and who have remained off parole or probation, and have had no arrests or convictions within the past three years

15. Electronic Waste Recycling

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460 of the Public Resources Code, relating to hazardous and solid waste. Contractor shall maintain

documentation and provide reasonable access to its records and documents that evidence compliance.

16. Tax

The State of California and Contractor will each bear their own respective federal, state and local tax liabilities arising from this Agreement. It is expressly understood that neither the State nor the Contractor will assign, shift, pass on or otherwise assume the tax liabilities of the other party.

17. Licenses and Permits

The contractor shall be an individual or firm licensed to do business in California and shall obtain at contractor's expense all license(s) and permit(s) required by law for accomplishing any work required in connection with this Agreement.

In the event any license(s) and/or permit(s) expire at any time during the term of this Agreement, contractor agrees to provide CDCR with a copy of the renewed license(s) and/or permit(s) within thirty (30) days following the expiration date. In the event the contractor fails to keep in effect at all times all required license(s) and permit(s), the State may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

18. Permits and Certifications from State Board of Equalization

This solicitation and any resulting contract shall be subject to all requirements as set forth in Sections 6487, 7101 and sections 6452.1, 6487.3, 18510 of the Revenue and Taxation Code, and section 10295.1 of the Public Contract Code requiring suppliers to provide a copy of their reseller's permit or certification of registration and, if applicable, the permit or certification of all participating affiliates, issued by California's State Board of Equalization. Failure of the supplier to comply by supplying the required permit or certification will cause the supplier's bid response to be considered non-responsive and their bid rejected. Unless otherwise specified in this solicitation, a copy of the reseller's permit or certification of registration must be supplied within five (5) state business days of the request made by the State.

19. Darfur Contracting Act

Effective January 1, 2009, CDCR generally cannot contract with "scrutinized" companies that do business in the African nation of Sudan, as described in Public Contract Code sections 10475 -10478. A company that currently has (or within the previous three years has had) business activities or other operations outside of the United States must certify that it is not a "scrutinized" company when it submits a bid or proposal to CDCR. A scrutinized company may still submit a bid or proposal for a contract with CDCR if the company first obtains permission from the Department of General Services (DGS).

All bidders must submit a completed OBS 1500 verifying status, with their bid proposal.

20. Conflict of Interest

The contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

a. Contractors and Their Employees

Consultant contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service contractors and/or certain of their employees may be required to file a Form 700 if so requested by CDCR or whenever it appears that a conflict of interest may be at issue. Generally, service contractors (other than consultant contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

1. The Agreement service has been identified by CDCR as one where there is a greater likelihood that a conflict of interest may occur;
2. The contractor and/or contractor's employee(s), pursuant to the Agreement, makes or influences a governmental decision; or
3. The contractor and/or contractor's employee(s) serves in a staff capacity with CDCR and in that capacity participates in making a governmental decision or performs the same or substantially all the same duties for CDCR that would otherwise be performed by an individual holding a position specified in CDCR's Conflict of Interest Code.

b. Current State Employees

1. No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
2. No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.
3. In addition to the above, CDCR officials and employees shall also avoid actions resulting in or creating an appearance of:
 - a. Using an official position for private gain;
 - b. Giving preferential treatment to any particular person;
 - c. Losing independence or impartiality;
 - d. Making a decision outside of official channels; and
 - e. Affecting adversely the confidence of the public or local officials in the integrity of the program.

4. Officers and employees of the Department must not solicit, accept or receive, directly or indirectly, any fee, commission, gratuity or gift from any person or business organization doing or seeking to do business with the State.

c. Former State Employees

1. For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.
2. For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by the CDCR. In addition, the contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the contractor or by the contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the contractor or by the contractor's owners, officers, principals, directors and/or shareholders.

The contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the contractor's business structure and/or status. This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the contractor's business status or structure that could affect the performance of the contractor's duties under the Agreement.

If the contractor violates any provision of the above paragraphs, such action by the contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

21. Disclosure

Neither the State nor any State employee will be liable to the contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the contractor any statement(s) known to State staff, made by any inmate or parolee, which indicate violence may result in any specific situation, and the same responsibility will be shared by the contractor in disclosing such statement(s) to the State.

22. Security Clearance/Fingerprinting

The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).</p> <p>The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).</p>								
4	<p><u>Are you a California resident or nonresident?</u></p> <p>A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.</p> <p>A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.</p> <p>For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.</p> <p>Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes. However, no withholding is required if total payments to the payee are \$1,500 or less for the calendar year.</p> <p>For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below:</p> <table border="0" data-bbox="181 1354 1365 1409"> <tr> <td>Withholding Services and Compliance Section:</td> <td>1-888-792-4900</td> <td>E-mail address:</td> <td>wscs.gen@ftb.ca.gov</td> </tr> <tr> <td>For hearing impaired with TDD, call:</td> <td>1-800-822-6268</td> <td>Website:</td> <td>www.ftb.ca.gov</td> </tr> </table>	Withholding Services and Compliance Section:	1-888-792-4900	E-mail address:	wscs.gen@ftb.ca.gov	For hearing impaired with TDD, call:	1-800-822-6268	Website:	www.ftb.ca.gov
