

Thank you for your inquiry about starting a BASS-affiliated club.

Thousands of BASS Federation Nation clubs across the country currently enjoy the camaraderie and competition that club affiliation with BASS provides. Club members not only enjoy the spirit of competition but are involved in conservation and youth programs such as Junior Bassmaster and CastingKids educational events held at Trailblazer Adventure Days in association with the BASS/U.S. Sportsmen's Alliance Partnership.

Federation Nation members are committed to the future of fishing, and we appreciate your interest in joining this growing number of dedicated anglers. All of the documentation you will need to establish your BASS club is enclosed. It only takes six BASS members to form a club, and you and your friends will be able to compete in state qualifying events that could lead to a berth in the prestigious Bassmaster Classic.

Please refer to the checklist when completing the required documentation.

Remember, all Federation Nation club members must also be a member of their state BASS Federation and BASS. To join BASS, simply click the link below or call 1-877-BASS-USA. Once everyone in your club has established a BASS membership, it's easy to add new members using our online roster system. Your club president and secretary will need to include their e-mail addresses to be notified of your new club status.

To avoid delays in processing your chapter application, please enclose \$30 for each member on your roster. Your club members' Federation membership will be effective from Jan. 1 - Dec. 31, with the update cycle beginning on Nov. 1 each season. You can pay by credit card online or please make checks payable to BASS LLC. When naming your club, keep in mind that the name cannot exceed 29 characters in length.

For your state affiliation requirements, please contact your respective state Federation Nation president. All president's contact information can be found at: <http://www.bassmaster.com/federationpresidents>. Your state president will receive an e-mail alerting them about your interest in establishing a new BASS club. So don't delay, get your club together and start fishing!

If there is anything we can do to assist you in setting up your club, just give us a call at 1-877-BASS-USA. We're here to help in any way we can.

BASS wishes,
BASS Federation Nation

Dear Federation Nation club administrators,

I'd like to personally thank you for your BASS Federation Nation® club's loyalty. Because of the dedication of anglers like you and your club members, our sport and its fisheries have a bright future.

To assist you in leading your club in 2010 we provide the Federation Nation section of our Web site, Bassmaster.com/FederationNation. Via the "Manage My Club" link on that page you can download all the materials you'll need for your club. Our Online Roster System is available via the "Club Administrator Login." Using the online system, all of the members in your club can be quickly updated, and we can automatically process credit card payments for new clubs and initial set-up. The system formats a printable invoice to send in with your check. The system has proved to be a great tool to provide you with a way to view real-time updates to your rosters and BASS membership status throughout the year.

BASS is leading the way by providing you and your club 24/7 roster access and printable membership cards. With this technology you'll no longer have to wait for a new card or membership verification – you can access and update your roster from anywhere at any time, even the night before the tournament. Because all real-time information and printable membership cards are now available online and to operate more responsibly in a cost-conscious economy, BASS will not send membership cards or printed rosters to each member and/or club.

If there is a special circumstance that prevents your club administrators from accessing our Web site, or if you have any questions, please contact BASS at 1-877-BASSUSA (option 4) or e-mail us at customerservice@bassmaster.com and we will be happy to assist you.

As in years past, members must be active BASS members and updated by Dec. 31, 2009, to continue to enjoy their BASS Federation Nation benefits. Making sure your club is updated now will ensure that there are no lapses in your BASS Insider membership, tournament eligibility, *BASS Times* subscription and your club's liability insurance policy.

To get started with 2010 enrollment, go online to update your roster at www.bassmaster.com/FederationNation, then complete the enclosed Letter of Authorization for your club and mail it to:

BASS
Attn: Jon Stewart/Stacy Twiggs
P.O. Box 10,000
Lake Buena Vista, FL 32830

As you can see, we have some exciting new program options, and the continued support of clubs like yours means more than we can express. In turn, I want to assure you that BASS' commitment to you and to the BASS Federation Nation programs has never been stronger. I know that 2010 will be a great year for the BASS Federation Nation!

Sincerely,

A handwritten signature in black ink that reads "Jamie Wilkinson".

Jamie Wilkinson
Sr. Director, Event Operations & Business Development

P.S. Remember, the BASS Federation Nation is the best way for your club's members to pursue the dream of competing in the Bassmaster Classic!

Note from State BASS Federation Nation presidents: Looking forward to 2010! Please remember that for your members to compete in any BASS Federation Nation-sanctioned tournaments and to be a club member in good standing with BASS National, your club must be affiliated with your state's Federation Nation. If you have any questions at all about your club's status with your state, please contact your Federation Nation state president (contact information is available on Bassmaster.com/FederationNation).
