Christ-centered childcare

Little Lambs... available for infant, toddlers, and preschool children. We strive to provide a loving and safe environment for every child. The preschool program includes Bible stories, learning activities, music, crafts, and snacks.

Creative Kids... available for Kindergarten & homeschooled children. Art history and lessons will be taught with a Christian twist. This semester will include Egyptian, winter, and Christmas Art.

Mom's morning out... Little Lambs is also available for mothers to use as childcare while running errands or other activities outside of TBS.

We require moms to volunteer one week per year to help our registration costs remain low. Please sign up on the calendar at the registration table.
