

Snap! Bubble! Ooze! *F*izz...

and **POP!**

Come join our Science Explorers Camp!

Mrs. Alvarez & Mrs. Altman will be holding two, **week-long**, science camps again this summer! These camps are open to children entering kindergarten through entering Grade 2. We will **explore, create, and taste** experiments as we learn how to make things happen and... *why they do!*

Join us for one week, or both (each week will be different).

All future rocket scientists, explorers, and adventures welcome!

This is a "hands-on" camp, so we must limit enrollment to 20 students per week; but it is open to non-GCS students, so friends are welcome to join in the FUN.

CAMP #1

M-F, July 11-15
9:00 am - Noon

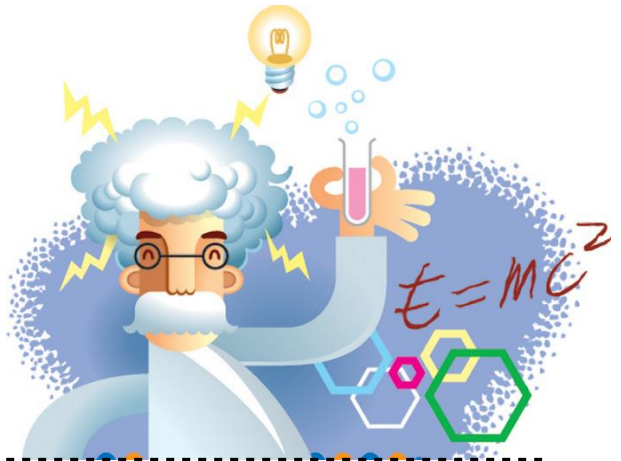

CAMP #2

M-F, July 25-29
9:00 am - Noon

Cost: \$150.00 (supply fee included)*

***Includes take-home projects
and a daily science snack!**

**Questions, Contact Mrs. Alvarez at:
monika.alvarez@gcs-email.org**

Science Explorers Camp

Register in the School Office today! Pay no later than July 1, for Camp #1, and July 18, for Camp #2.
Payment can be made by cash, check, or ParentsWeb. Space is limited so don't delay.
Thank you!
