SCRIPTURAL REFLECTIONS FOR TODAY

Home is a very special place that all of us long to be when we're far away from it. Some even live without a place to call home and so many live in broken homes. The home that Jesus is referring to in today's Gospel is our home in Heaven. Each of us have a dwelling place set aside for us. Our credit score means nothing, our place in society is worthless. What is important is that we live as a redeemed people saved by the blood of the Lamb. Our home awaits us one day...

THE PASTOR'S CORNER

MONSIGNOR WILLIAM C. HATCHER

Dear Parish Family,

Congratulations to **Juan Camilo Restrepo Madrid** on his Ordination to the Diaconate today (Sunday) at 12:00 Noon at the Cathedral-Basilica of the Sacred Heart. Juan Camilo will be given a parish assignment as a Transitional Deacon and his ministry will take him to that parish this summer and on weekends during the year, while he continues his studies at Immaculate Conception Seminary. However, Saint James is the parish in the United States that Juan Camilo considers to be his "home parish" so whenever he has free time from the seminary and his assignment he will be here at Saint James.

This Saturday, May 28 is **Ordination to the Priesthood** at the Cathedral. Please keep in your prayers all those who will be ordained priests this Saturday, especially those who served at Saint James while they were seminarians: **Fr Paul Houlis, Fr Michael Kim**

Thank you for your kind thoughts, support and prayers during my current illness which I shared with you in last week's bulletin.

We all need a spiritual home, a place where we are comfortable in prayer, in service, in reflecting on life and finding the presence of our loving God. Most of us find that home here at Saint James and it's a shame when parishioners do not take advantage of consistently finding that home here. We look to that dwelling place that Jesus promises us in the Gospel. But we also work at building a place for ourselves and others during our journey to God. That home is a church, not a building or edifice, but the living presence of our risen Christ. That presence, as we read in the Acts of the Apostles, is made real through the service and ministry we share with one another. Guided by the Spirit, we build the church that is at once our home and the foreshadowing of our dwelling place in heaven.

Love,

Monsignor Bill

SCHOOL NEWS

MAY IS FOR FIRST COMMUNION AND MAY CROWNING

Parish masses this Easter season have been filled with all the excited First Communicants and their families as they prepare to join their fellow parishioners at the Table of the Lord for the first time. Aside from the gorgeous dresses, beautiful veils, handsome suits and sharp ties, these First Communions are about so much more than how terrific everyone looks and how nervous these little ones (and sometimes their parents) are. The children's wonder and reverence at receiving the Lord for the first time is the beginning of many more communions to come, and for those of us who have lost count of all the communions we've made throughout our lives, seeing Eucharist through the eyes of the children of the parish brings us back to the sacredness and extraordinariness of the sacrament. It helps us to remember that while worthy of the dresses, veils, suits, and ties, the Eucharist doesn't need those accessories to be reverently received, and it isn't a one time only event. Special thanks to **Mrs. Dolansky, Ms. Caputo, Mrs. Makarucha our second grade teacher**, and all the catechists and adults who have prepared all of our parishioners for their First Eucharist.

Last Monday, the entire school community celebrated a Mass for the Easter Season, and immediately following, gathered before the statue of the Blessed Mother for a traditional May Crowning. Our **second graders** wore their First Communion outfits while the **eighth graders** rocked their Sunday best. This sweet ceremony is a very concrete recognition that the Blessed Mother is the Queen of our hearts and a real mother to all of us no matter how old we happen to be.

Congratulations to our very own **Juan Camillo Restrepo Madrid**, ordained this weekend at the Cathedral Basilica in Newark as a transitional deacon. A frequent visitor to the school, **Deacon Juan Camillo** has been a big encouragement to students at St. James, often sharing with them his expertise in Spanish. Best wishes also to **Fr. Jim, Msgr. Bill, and Fr. John**, who are all celebrating upcoming priesthood anniversaries.

INTENTIONS FOR THE SICK

At the "General Intercessions" we pray for the sick. Our prayers for the sick are very important, especially in critical times of sudden illness, surgery or worsening condition. We will continue to pray for and mention the names of our sick parishioners when we receive notice from the family or the individual asking for prayers. The name of the sick will be mentioned for three weeks in a row and after that the names will continue in the parish bulletin, until we receive notice otherwise. If the person's condition worsens we will mention the name again at each Mass upon notification.

RECEPTION OF COMMUNION

Every so often, it is good to remind ourselves of the reverence that we need when we receive the Body and Blood of Christ. We need to be mindful of a few things. When you approach the altar, if you are receiving on the hand, please remove your gloves prior to receiving the Lord. Also, remember to bow slightly before receiving without being ostentatious. If communion runs out and the minister needs to replenish, please wait patiently for their return. If possible stay in your place instead of moving out of line so the procession can flow naturally.

YOUR WILL AND YOUR PARISH

The Legacy Circle recognizes and honors individuals who have included their parish, school or other ministry of the Archdiocese of Newark in a planned giving gift. Anyone who has named the parish, an Archdiocesan school or ministry of the Church in their will is eligible to join the Legacy Circle Society. If you have named the parish in your will, or are considering doing so, please contact Anne DeVivo DeMesa at 973-497-4048 or <mailto:demesaan@rcan.org> so she can welcome you and include you in this year's event. Legacy Circle members receive invitations to special Archdiocesan events held throughout the year as well as important updates.

HOW TO REPORT ABUSE

The Archdiocese takes very seriously any and all allegations of sexual misconduct by members of the clergy, religious and lay staff of the Archdiocese. We encourage anyone with knowledge of an act of sexual misconduct to inform us immediately so that we may take appropriate action to protect others and provide support to victims of sexual abuse. If you wish to report an allegation call the Office of Child & Youth Protection -201-407-3256.

CHANGES AT MASS

Quotes from the General Instruction of the Roman Missal

On November 27, 2011, the English speaking Church in the USA will begin using a new translation of the prayers used at Mass (*The Roman Missal*). A series of quotes explaining the parts of the Mass from the *General Instruction of the Roman Missal* (GIRM) will be posted here. These explanations are meant to help the reader participate more fully in the Sunday Mass. Please check here weekly.

The Importance and Dignity of the Eucharistic Celebration

The celebration of Mass, as the action of Christ and the People of God...is the center of the whole Christian life for the Church both universal and local, as well as for each of the faithful...It is therefore of the greatest importance that the celebration of the Mass...be so arranged that the sacred ministers and the faithful taking part in it...may derive from it more abundantly those fruits for the sake of which Christ the Lord instituted the Eucharistic Sacrifice of his Body and Blood...

This will best be accomplished if...the entire celebration is planned in such a way that it leads to a conscious, active, and full participation of the faithful both in body and in mind, a participation burning with faith, hope, and charity, of the sort which is desired by the Church and demanded by the very nature of the celebration, and to which the Christian people have a right and duty by reason of their Baptism. (GIRM 16, 17, 18)

A NOTE FROM THE PASTOR

Msgr. Bill

Dear Parish Family,

Many of you have expressed **concern and prayer** for my health these last several weeks as you have noticed my fatigue and weight loss. Early in March I began to have some pain and the doctor sent me to the hospital for two days. After that I began a series of tests as an outpatient to determine what actually was causing my health decline. After those tests it looked to be something serious and I consulted with doctors at a New York Hospital for further evaluation. It was then confirmed that I had a growth in my esophagus. It was not operable. I began chemotherapy treatment on May 2nd at the hospital in New York and this will continue every two weeks. I will also be taking chemo in pill form for seven days and then resting from treatment for seven days. This treatment schedule will continue indefinitely as they determine how I am handling the drug and how the tumor is reacting to the chemo. The fatigue gets to me and then I need to rest. I am trying to keep up my strength with as much food as I can eat, especially, good soups and chocolate milk shakes. With the help of your prayers and support I will be able to endure the treatment and diminish the effect of the disease. Thank you for praying and thank you for your love, care and interest. While I continue to do all that I can do while I am under treatment Father Jim has been a great support to me.

The Saint Thomas the Apostle Youth Group

is pleased to present an evening with
The Most Reverend Manuel A. Cruz
Auxiliary Bishop of the Archdiocese of Newark
The Bishop will address our youth and those preparing for the Sacrament of Confirmation.
followed by a Concert with
Catholic Musician and Speaker
Chris Padgett
All are Welcome to Join Us!

Bishop Cruz is the first Cuban-born priest of the Archdiocese. Bishop Cruz fled to this country with his parents as revolution took hold in Cuba. Eventually, the Cruz family settled in Union City. Bishop Cruz attended the seminaries of the Archdiocese at Seton Hall University. He was ordained a Priest in 1980 and as Bishop in 2008. He is well-

known and highly regarded for his deep and strong commitment to the health and the needs of the poor. In leadership roles in chaplain service and hospital ministry he served the needs of people in the Archdiocese at their most vulnerable moments. Throughout his life as a priest, Bishop Cruz has continued to provide the very real presence of Our Lord at times when it is most needed.

A brilliant songwriter, musician, speaker and worship leader, Chris Padgett travels around the world giving talks, missions and concerts. One of the most effective champions of family life in the church today, Chris can speak from experience. He's been married to his high school sweetheart for over 15 years and has eight children. As he likes to say, the Padgett family

is taking the call to "make disciples" very seriously! Chris holds a master's in theology from Franciscan University of Steubenville, Ohio, and has begun doctoral work in Marian studies at the International Marian Research Institute in Dayton, Ohio. His television appearances include *Life on the Rock* with Jeff Cavins and *Living His Life Abundantly*.
