Through the UUSC COFFEE PROJECT, your congregation, school or office can enjoy delicious coffee, tea and chocolate while helping small-scale farmers in Latin America, Africa, Asia and the U.S. as they build a better future for themselves and their families.

Through the project, farmers earn a fair price for their products, have access to affordable credit, and gain a long-term trading partner they can trust, a Fair Trade Organization called Equal Exchange.

With your support, these communities invest in education, health care, and agricultural improvements.

In addition, for each pound of coffee, tea, or chocolate purchased by UU congregations through the project, Equal Exchange makes a contribution to UUSC programs that support the human rights and social justice work of community-based cooperatives in coffee-growing regions

100% of Equal Exchange's coffee, tea and chocolate products are fairly traded.
