Disclaimers.

Tenderers should note that the Contracting Authority reserves the right to cancel this procurement at any stage and for any reason and not award a Framework Agreement.

In accordance with law and the terms set out in the tender documents, the Contracting Authority reserves the right to change without notice any part of the proposed contract and the procedure for awarding the proposed contract and/or stop the process or cancel the procurement at any time. The Contracting Authority also reserves the right not to award a contract at any time without liability on its part.

Please also note that the Contracting Authority will be able to terminate the procurement process for any reason, including but not limited to: if there are not sufficient eligible tenders; [if the funding application(s) relevant to the proposed contract is/are rejected, or is/are approved but with insufficient funding to allow completion of the proposed contract] [If necessary, the Contracting Authority reserves a discretionary right to find alternative sources of funding]

Nothing in this Contract Notice, tender documents, contract documents, any other written communication to the potential Tenderer/Tenderers from the Contracting Authority or its representatives and any oral communication to the potential Tenderer/Tenderers from the Contracting Authority or its representatives, shall generate any contractual obligations or intention to create a contract prior to any signature of a final written contract.

If the Contracting Authority decides to enter into a Framework Agreement with the successful tenderer(s) this does not mean that there is any guarantee of subsequent contracts being awarded. Any expenditure, work or effort undertaken prior to contract award is accordingly a matter solely for the commercial judgement of the tenderers.

Any order placed under this Framework Agreement will form a separate contract under the scope of this framework between the service provider and the specific requesting other contracting body.

Miscellaneous.

The Contracting Authority is a public authority under the Freedom of Information Act 2000 ("the Act") and the Environmental Information Regulations 2004 ("EIR"). As part of its duty under the Act and the EIR, the Contracting Authority may disclose information to a person making a request unless the information is covered by an exemption under the Act or the EIR. The Contracting Authority is required to determine whether the public interest in maintaining the exemption outweighs the public interest in disclosing this information. Tenderers should state in their Tender responses whether or not they consider the information supplied should be exempted from disclosure to third parties under the Act or the EIR and should provide reasons for such views. These views will be taken into consideration by the Contracting Authority when deciding whether to disclose information. (Please see tender documents for further information)

Annex D1 – General procurement
Justification for the award of the contract without prior publication of
a contract notice in the Official Journal of the European Union (OJEU)
Directive 2004/18/EC

Please provide hereunder a justification for the award of the contract without prior publication of a contract notice in the Official Journal of the European Union. This justification must comply with the requirements of Directive 2004/18/EC.

(In terms of Directive 89/665/EEC on Remedies, the time-limit for application for review referred to in the first indent of Article 2f(1)(a) of this Directive can be reduced if the notice contains a justification of the contracting authority's decision to award the contract without prior publication of a contract notice in the Official Journal of the European Union. In order to benefit from this reduced time-limit, please tick the relevant box(es) and provide the additional information below.)

1) Justification for the choice of the negotiated procedure without prior publication of a contract notice in the OJEU in accordance with Directive 2004/18/EC

No tenders or no suitable tenders in response to:

- open procedure,
- restricted procedure.

The products involved are manufactured purely for the purpose of research, experiment, study or development under the conditions stated in the Directive. (for supplies only)

The works/goods/services can be provided only by a particular tenderer for reasons that are:

- technical,
- artistic,
- connected with the protection of exclusive rights.

Extreme urgency brought about by events unforeseeable by the contracting authority and in accordance with the strict conditions stated in the Directive.

Additional works/deliveries/services are ordered under the strict conditions stated in the Directive.

New works/services, constituting a repetition of existing works/services and ordered in accordance with the strict conditions stated in the Directive.

Service contract awarded to the successful candidate or one of them after a design contest.

For supplies quoted and purchased on a commodity market.

For the purchase of supplies on particularly advantageous terms:

- from a supplier which is definitely winding up its business activities,
- from the receivers or liquidators of a bankruptcy, an arrangement with creditors or a similar procedure.

All tenders submitted in reply to an open procedure, a restricted procedure or competitive dialogue were irregular or unacceptable. Only those tenderers were included in the negotiations which have satisfied the qualitative selection criteria.

2) Other justification for the award of the contract without prior publication of a contract notice in the OJEU

- The contract has as its object services listed in Annex II B to the Directive.
- The contract falls outside the scope of application of the Directive.

In order to benefit from the reduced time-limit referred to above, in addition to the box(es) to be ticked above, please explain in a clear and comprehensive manner why the award of the contract without prior publication of a contract notice in the Official Journal of the European Union is lawful, by stating in any case the relevant facts and, as appropriate, the conclusions of law in accordance with Directive 2004/18/EC: (500 words maximum)
