Shanley upsets No. 1 GFRR

FARGO — Fargo Shanley took care of business, clinching a berth in the North Dakota Class A boys basketball tournament on Friday.

The No. 5-ranked Deacons used Saturday's East Region championship game to put together one of their better performances of the season against top-ranked Grand Forks Red River.

Patrick Strom scored 20 points to lead Shanley to a 71-58 win over the Roughriders at the Bison Sports Arena.

"That game right there was the best we played so far," Shanley head coach Leon Knodel said. "Offensively we took care of the ball. Defensively we did a good job making sure their guys had to shoot tough shots... Hopefully, we can build off that."

No. 1 seed Deacons advance

By Tom Mix
tmix@forumcomm.com
FARGO — Fargo Shanley didn't have the start it

needed to advance to the next round, but once it got going, the Deacons were ready to make some contact and finish around the basket. It took us a bit of a rough start, but that's the way it goes at that level.

Shanley had four players in the double figures, with Patrick Strom leading the Deacons with 18 points for the team. Strom scored 18 and 19 points, respectively. Strom scored 18 of his 19 points in the second half to spark the Deacons.

They were shooting 50 percent from the field and 85 percent from the free-throw line. Strom scored 18 of his 19 points in the second half to spark the Deacons. They were shooting 50 percent from the field and 85 percent from the free-throw line.

Dear Family and Friends of the JPII Catholic Schools Network,

Welcome to the Twenty-Eighth Annual Shanley Dinner Auction. Thank you on behalf of the JPII Schools Council Members, Staff, and Students for your attendance and generous support.

Special thanks to Todd Mickelson for his dedicated service and welcome to Lee Hoedl Director of our Shanley Auction. Their service is of great value for the promotion of Catholic education in our community.

Without the leadership and dedication of our chair couples, Dan and Heather Butler and Paul and Jill Von Ebers, as well as the various committee chairs and numerous volunteers this evening would not be possible. In addition, I thank the businesses and individuals who have donated items for tonight's event. The JPII Catholic Schools Network is fortunate and grateful for the benevolent support from our community.

Through the years the Shanley Dinner Auction has been blessed to raise more than two million dollars to enhance opportunities for students. Please know by bidding on an item this evening, you are investing in the future of "our children." The funds raised through the Auction, allow the Network to fulfill its mission "...to teach the total person and foster the following of Christ in an environment inspired by the Gospel spirit as taught by the Catholic Church."

May God Bless You,

Deacon David W. Haney
