LETTER OF FINANCIAL COMPLIANCE

I/we, the undersigned, hereby confirm that I/we hire-in vehicles for the purpose of transporting fare-paying passengers and/or guests and hereby undertake to ensure that adequate PASSENGER LIABILITY insurance will be secured to cover the specific chartered vehicles for the duration of all/any transportation undertaken directly by ourselves.

In the event that I/we sub-contract the transportation of our fare-paying passengers and/or guests to another company, I/we undertake to ensure that such company has the required PASSENGER LIABILITY insurance in place and will request and retain a copy of such insurance cover policy and specifically check that same extends to cover all sub-contractors.

I/we acknowledge that the above insurance cover will comply with the SATSA minimum indemnity limit and/or policy extension requirements, which are as follows:

PASSENGER LIABILITY INSURANCE

- > Minimum indemnity limit of R5 million per vehicle, per occurrence (up to 10 passengers, excluding driver and guide).
- > Minimum indemnity limit of R11 million per vehicle, per occurrence (for larger vehicles – 11 seats or more, excluding driver and guide)

* NOTE: The word “vehicles” includes boats

I acknowledge that SATSA may conduct spot checks on the above insurance policy/policies in place from time to time and understand that failure to comply may lead to the termination of SATSA membership.
