PRESTO PAY Pay for your ScripNow!, reloads or weekly orders right from your checking or savings account for an additional \$0.15 fee per order.

VOUCHERS Voucher retailers consist of those on the TRIP Voucher "Yellow Pages" and any "write in" orders where you write a specific dollar amount on the paper order form. Vouchers may not be ordered online. Voucher orders may only be submitted using a paper order form or the 3-part voucher form. Vouchers will then be entered in by the TRIP committee.

NON-LOCAL vs. LOCAL GIFT CARDS Non-local cards are those cards purchased directly from our main distributor. Local cards are those cards that our main distributor does not offer or which Borculo Christian TRIP has been able to obtain at a higher percentage. Local cards are indicated by saying "(local)" after the retailer's name. Be sure to order the "local" cards when possible to obtain the best possible percentage rate.

Questions? Always feel free to contact a TRIP Committee member. We love to help make it possible for you to earn credits for your children's (grandchildren's, friend's or a future) Christian education account!
