

Eberts' Super Summer Sendoff & Recap

Summer break is almost here! What a terrific year it has been: Providence Cup grand champs, two bands performing at the NC Music Educators Annual Convention, great ratings at MPA for all Cuthbertson bands, excellent Cuthbertson representation at regional honor bands and, within NC at County, District, and All-State, great results from solo and ensemble, great concert performances, and the list goes on and on! Students should continue to be musical over the summer to keep the momentum rolling - check out our summer to do lists for an A list student on page 2 of the newsletter.

Due to changes in the NC curriculum, Smartmusic will be an important component for all grade levels of band next year. We strongly encourage all students to download and become familiar with this software over the summer. There is a once-per-school-year fee of \$36 to use this software, though beginning a subscription now will take students all the way through the end of the 2013-14 school year. You can now even get Smartmusic on your iPad as an app! In return, students will have access to literally thousands of solo music and band pieces. Every student took their last test on Smartmusic and are familiar with what it is. We will be using this software weekly next year and we CANNOT overemphasize the importance of becoming familiar with the program over the summer.

THANK YOU to all the parents who have been involved with and who have volunteered their time with the band program this year! The success your students have enjoyed is reflected in the assistance you generously provided. We are grateful for all your support. By helping with the band you are truly parents of awesomeness!!

A BIG thank you goes out to the members of the Band Booster Executive Board for their dedication & hard work to help make a great program for all students. Lloyd Spencer - President. Charlie Lockhart - First VP, Mary McClocksey - Second VP, Jenn Abuaita - Treasurer, Anne McManus - Secretary. Also, thank you to our faithful newsletter editor, Vanessa Spencer, for all her work each week in assembling a wonderful newsletter to keep everyone up to date on the many band activities.
