

2015 Little Kids Summer Art Camp • Ages: 3 - 5

104 Walnut St, Haddonfield NJ • 856.429.8585 • www.markeimartscenter.org • info@markeimartscenter.org

The Little Kids Summer Art Camp is all about exploring a variety of art materials and processes and being inspired by various weekly themes. Each day, we will create fun and exciting projects by painting, drawing, building, printmaking, collage, clay and more! In between projects, the Little Kids have independent creative time for skill building and creative exploration. A healthy snack will be provided, and as long as the weather permits, the children will enjoy outside play and activities. (Little Kid campers must be potty trained. Please provide extra clothing in a well-marked bag.)

MISSION: The Art Camps at Markeim Arts Center are part of the Youth Arts Program. The Mission of the Youth Arts Program is to provide creative and educational experiences in a nurturing environment. Our focus is on the creative and developmental growth of the individual child as well as building community.
