Iasi
MAY 27th - 28th 2010

Dear colleagues,

We are honoured to invite you at the 56th annual scientific symposium organized at the Faculty of Horticulture of Iasi, during the period 27th -28th of May 2010.

The symposium will be organized in collaboration with the Ministry of Education, Research and Innovation, The Ministry of Agriculture and Rural Development, the Academy of Agricultural and Forest Sciences, the Romanian Society of Horticulturists.

Under the sign of the four markers which define the symposium - *science, quality, diversity and harmony* – that have become axiomatic truths that will actively operate in the manner of thinking and life for the harmonization of our relations with the environment, we will unite our efforts in order to exceed the crisis and promote performance in horticulture.

Your participation to this scientific manifestation will equally contribute to the consolidation of collaboration relations between the institutions of education, research or production that you represent, at also to the development of

**Dean,
Prof. Gică Grădinariu PhD**

**Scientific secretary,
Prof. Lucia DRAGHIA PhD**

Specifications for the participants

The application form will be sent to the organizers (by e-mail) until **February 1st 2010**. The registration can also be made online at the address:

http://www.univagro-iasi.ro/Horti/Simpozion_Horticultura_2010/bun_venit.htm

Each participant can present, as first author, 2 papers at the most.

The papers “in extenso”, will be sent until **March 1st 2010**.

The authors will receive the confirmation for the publication of papers and eventual observations until **March 31th 2010**.

The papers accepted for publication will be sent to the organizers until **April 18th 2010**.

The e-mail for sending the materials: **horti2010@uaiasi.ro**

The publication will be made in the bulletin “Scientific papers U.A.S.V.M. Iași, Horticulture series”, vol. 53/2010.

The CD with the papers published will be sent by mail, to the first author.

!!! WE WILL NOT PUBLISH :

***THE PAPERS WHO NOT PRESENT OWN RESULTS OF RESEARCH**

***THE PAPERS THAT WERE NOT DEFENDED AT THE SYMPOSIUM**

***THE PAPERS THAT DO NOT COMPLY WITH THE DRAW-UP REQUIREMENTS
(ACCORDING TO THE ANNEX)**

Participation fee:

- **100 lei** for the participants from Romania;

- **50 €** for the foreign participants.

The participation fee covers the following expenses: the file with the symposium program, the CD with the papers' abstracts, the CD with “in extenso” papers (that will be afterwards sent by mail), the gala dinner.

Data necessary for payment (only in EURO) of the fee:

- IBAN Account: RO 39 RNCB 0175011092700002, open at BCR S.A. (with the specification : symposium Faculty of Horticulture)

- SWIFT: RNCB RO BU

The program details will be available on the symposium site:

http://www.univagro-iasi.ro/Horti/Simpozion_Horticultura_2010/bun_venit.htm

Section I

Fundamental, economic and humanistic subjects

Botany, Vegetal physiology, Genetics, Plant Breeding, Chemistry, Biochemistry, Computer Science, Biophysics and Agrometeorology, Biological statistics and Mathematics applied to biology, Pedagogy and Methodology, Foreign Languages, Economic Sciences.

Section II

Horticulture Technologies

Vegetable Growing, Fruit-growing, Viticulture, Oenology, Postharvest Technology of Horticultural Products, Floriculture, Ornamental Arboriculture, Horticultural constructions, Biological Horticulture

Section III

Soil Sciences, Plants and Environment Protection

Agrochemistry, Agrophytothechny, Pedology, Land ameliorations, Topography, Agricultural Cadastre, Environmental Engineering, Soil Biology, Microbiology, Phytopathology, Entomology, Ecology, Mechanization of Agriculture.

Section IV

Landscape architecture

Sustainable Development in Landscape Architecture, Historical Evolution of the Landscape, Aesthetics, philosophy and psychology of the Landscape, Environment Management in Landscape Architecture, Landscape Architecture in the Urban Restoration, Rehabilitation and Conversion, Landscape Architecture Composition and Design.

Section V

GRADUATES STUDENTS - HORTICULTURE 2010

Horticulture Technologies, Soil Sciences, Plants and Environment Protection, Fundamental, Economic and Humanistic Subjects, Landscape Architecture.
