Children's Hospice Association Scotland (CHAS) is a charity that provides the only hospice services in Scotland for children and young people with life-shortening conditions.

CHAS runs two children's hospices, Rachel House in Kinross and Robin House in Balloch. The hospices support the whole family by offering short planned breaks, emergency support, end of life care and a range of bereavement services.

CHAS also provides a home care service, called CHAS at Home, staffed from both hospices and with a dedicated team in the North of Scotland. The service offers care to families in their own homes when they need it most.

CHAS supports over 250 families, as well as a significant number of families who receive bereavement support. The services are funded mainly through the generosity of the many supporters who help raise over £6 million needed each year to provide these vital hospice services.
