Meetings on 2nd Friday

En hilsen fra Presidenten

Kjære Venner (Dear Friends),

Summer is winding down, school has started and there is a hint of fall in the evening air. To me (having lived by the academic calendar for 25 years), it is time to get back on schedule after a slower (?) summer pace. So, too, with our Lodge as we move into a busier Fall.

There are a lot of Lodge activities coming up for us to look forward to, beginning with a fun social event on Sunday afternoon, September 29, when we'll focus on seeing that the kids in our Lodge, as well as their friends, learn that we have fun at *Nordahl Grieg Lodge*. So, bring your kids, your grandkids, their friends, and the neighbor kids. There'll be some fun things for the older kids (guess that is us) to enjoy, also. I'm looking forward to seeing many of you there.

LUTEFISK IS COMING! And you'll find "everything you need to know, but didn't want to ask" in this issue of the *Tidende*. We will kick off our Lutefisk season with Wine and Cheese at our October 11 business meeting and Solveig Club's Harvest Luncheon and Nordic Boutique on October 13. Please note the dates for making meatballs, *lefse*, and cookies. We'd love to have you join us as we get ready for the **BIG EVENT OF THE YEAR**. And, remember to reserve your dinner tickets for one of the seatings on Friday, December 6 or Saturday, December 7.

We have business to take care of, too. The Hall Board has been busy with projects this summer which they want you to know about and also discuss with us their future plans and financial needs and constraints. They will value your input. And, we will elect a Nominating Committee who will seek officers for 2014. Please think about serving as an officer, volunteer, and/or say "yes" when asked. Help us to make our Lodge stronger!

So, we move on into our second New Year! With your help and support, it will be a busy, fun and happy one!

Fraternally yours,
Shirley Shoup, President

Plan to attend this meeting and let's all get back into the swing of things!

Membership Update

The Nordberg's have finally been properly re-instated as members of our lodge. They were told they needed their old membership numbers before they could be accepted (?) – being the pack-rat I am, I did find their old numbers, so please welcome the Nordberg's back into our lodge:

Nancy T. Nordberg 637 S. Baywood Avenue, San Jose, CA 95128
statesidenancy@yahoo.com 408-352-5136

Terje Nordberg 627 S. Baywood Avenue, San Jose, CA 95128
terje.nordberg@att.net 408-352-5136

We also welcome one more member – she appeared on our membership listing, no previous e-mail from Sons of Norway International; however, we happily welcome her to our lodge:

Ms. Billylynn Adams 639 Iroquois Court, San Jose, CA 95123
biadams@cico.com 408-410-1733

Hope to see you often at our lodge functions – Nancy and Terje attended the Heritage Night social and were also at the Ibsen Park picnic.

That was the good news, however, we do have 3 members on the Past Due list, and Jody Pedersen and Hal and Kim Richman were suspended by Sons of Norway International.

Membership remains at 290 members which include Juvenile Members with active insurance.

Kari Warner, Financial Secretary

News about Members

FUN NEWS!

Lucy Faith Bratton has arrived to join the Bratton-Everly clan. It is reported she looks like her dad, **Coy**. Welcome to our Viking world, little girl!

Syd Whaley visited Tuscany this summer and told us she enjoyed the delicious ice cream with the natives. Way to go, Syd!

HEALTH NEWS

Joyce Cosce is using a walker for safety. She had a sudden onset of back pain with radiation to her legs and feet. PT did not help, so she will be consulting a back surgeon in a few days. Joyce is staying positive as she always does, and we will, too.

Elderid Everly is no longer wearing her boot, but she is using her walker. She has been exercising and is itching to get back to making *lefse*. Good to hear about your progress, Elderid!

Elmer Graslie recently had surgery again. This time, a stent was placed in his abdominal aorta. After some days in the hospital, Elmer was transferred to a care facility for rehab. He is slowly getting his strength back, but continues to need continuing care and support. Thinking about you, Elmer!

Karin Hansen had rotator cuff surgery and is off work until she regains shoulder mobility. It takes some time, hard work, and some pain to accomplish that goal. So, Karin, take care!

Grace Larsen fell and broke her hip in early August which necessitated a hip replacement. She is now receiving rehab to get back on her feet. **Egil** spends time with her each day and reports that she is progressing slowly but is determined to get home soon. We wish you well, Grace, and look forward to being back with us soon!

Erna Nore has been experiencing some vision problems but is hopefully on the mend, and won't have to be "one-eyed" for much longer. Even so, she has been able to keep up with some of her usual activities. Hope everything is better for you real soon, Erna!

Fraternally,

Shirley Shoup, Sunshine Chair

Call for Volunteers!

The Nominating Committee will soon begin to recruit Nordahl Grieg Officers for 2014. Please think about serving as an officer for the next year. There are lots of jobs to fill and **NO EXPERIENCE** is required for most! We welcome new blood and new ideas to help make Nordahl Grieg Lodge ever stronger.

Nyheter Fra

Solveig Club

Where did our summer go? Every year it seems to be shorter. I hope everyone enjoyed a nice vacation.

September is when school begins for the year. Our school opened the first week of September when I was a child, and my twin sisters, Ruth and Rachel, and I were ready. We always had new shoes. They were sturdy, laced up leather, black or brown. In our hands we carried new tablets... ours were proper tablets to write our lessons on. If we were lucky we had a pencil box each, with a newly sharpened pencil.

As we trudged along the one and a half miles to school, we swung our syrup pail lunch box. In it was a carefully made sandwich from homemade bread, with either egg salad or jelly spread on it. The sandwich was carefully wrapped in wax paper, which we folded and placed back in our pail to use again. Wax paper cost money and we were deep in a depression. We also had a cookie and some fruit.

School was a joyful place for me. I loved to learn new things. We had a full time teacher and 2 students from the college that were called "Practice Teachers."

I hope every child in school now finds as much joy in their studies as I did. Now the tablets are different and lunch pails are gone. My tests were in a book.

Solveig Club will meet on Wednesday, September 11 in the Solveig Room. **Sharon Bratton** will be hostess.

School is open! Drive carefully.

*Ha det bra,
Elderid Everly,
Solveig Club President*

Hall Board Update

Love Your Lodge Campaign

Revenues are down significantly from last year due to slower rental activity but the Board voted to pursue several badly needed projects (see below). We hope that these will be completed during the month of August, paving the way to stucco or paint the building. Our preference is to stucco the building which will greatly improve its appearance and be a longer-term solution, but finances remain a major obstacle and we're not sure if we'll have the funds. Beyond that, there's the cost of a new roof overhang or awning. If you have not contributed to the Love Your Lodge Campaign, we encourage you to do so. Contributions to date total \$8,500 which is a godsend but the majority was contributed by just a handful of individuals. We thank them dearly, but need more participation from the Membership at large. There are many who give freely of their time, talent and resources to support the Lodge but they can't do it all and we need more participation. If you're capable of contributing, this is your call! *Mange tusen takk.*

Projects

Projects to be completed in August include the following. Thanks again to **Don Schallock** for guiding the process along.

- Replacing the kitchen door
- Installing a light and motion detector over the kitchen door
- Rebuilding the frame around the double entry doors to the Main Hall
- Stucco repairs on the south and west walls of the building
- Installing horizontal flashing along the south wall to accommodate a roof overhang or awning
- Installing vertical flashing on the west wall to prevent moisture intrusion

Sound System

Based on the feedback we received from those who attended the August 9 business meeting, the sound system is working great. Again, special thanks are due to **Kato Andersen** and **Dave Melius**.

WiFi System

Comcast has been extraordinarily slow in installing cable for the phone, TV and Wifi system. **John Stubblebine** has been persistent and we hope that installation will be complete by the end of August.

Again, this will be a benefit for many renters and hopefully improve rental activity. Thanks again to John for his effort and special talent.

Bar Manager

Dave Melius has agreed to fill the role of Bar Manager. Dave has contributed a great deal to the Lodge and attends most social functions. He will be a great asset. Special thanks are also due **Lori Elwood** who has handled the job for the past year. Thank you both!

Folk Dance Weekend at Camp Norge • October 18-20

In our 24th year, our Fall *Folke dans Stevne* invites dancers of all experience levels. Let's celebrate! *Nordahl Grieg Leikarring og Spelemannslag* (NGLS) present a weekend of Norwegian folk dance and music featuring guests from the *Jolster* and *Naustdal* traditions. Our featured guests from Norway will share their cultural traditions with the dances *Jolster Springar* and *Gamalt fra Nordfjord* and will demonstrate tunes for these dances on the *hardingfele*.

Bill Likens will teach piano accordion and two row diatonic button accordion. Bill is the longtime director of the *Nordahl Grieg Spelemannslag* and plays regularly for NGLS practice nights and performances. He has helped many students to enjoy making music in several different traditions

The instructors welcome dancers and musicians of all abilities and will include dances for different levels. No partner is necessary; we mix and match as needed.

The weekend fee of \$130.00 includes accommodations, all instruction, and meals from Saturday breakfast through Sunday lunch. For more information, contact **Meg Laycock** at 408-255-2111, or see the flyer and registration form on the *Leikarring* website at <http://www.ngls.net/CampNorgeStevne.htm>.

Julebutikk • November 9 Shop for Scandinavian items and authentic handmade crafts at the Daughters of Norway boutique at the Sunnyview Retirement Community located at 22445 Cupertino Road in Cupertino, California.

Did you connect with fellow Norwegians at the Ibsen Park Picnic?

The Ibsen Park Picnic was another successful event. *Nordahl Grieg* was represented by 29 members and 3 guests. Weather cooperated, food was plentiful and delicious, and the children enjoyed the swimming and games, *Vikings of Bjornstad* were there, and some absolutely beautiful dogs. The children enjoyed the Bouncy House. The raffle had many beautiful prizes, from paintings to *Rosemaling* items, and a beautiful framed *Hardanger* embroidery piece, among other things. From our Lodge, **GINNY HANSEN, DAVIE MELIUS** and **JANIE KELLY** were raffle winners. Another thing I like are all the hugs, Norwegians are "huggers"... women as well as men. We are definitely a friendly group. *Henrik Ibsen* lodge did an outstanding job as usual, and are already planning next year's picnic. Submitted by: **Kari Warner**

Pilot Lights

The pilot lights on the kitchen stove frequently get blown out which leaves the odor of gas in the building. The problem is, if the kitchen door is left open, the wind is often strong enough to blow the pilot lights out. Please be aware of the problem, and try not to leave the door open when it's windy and relight the pilots as necessary.

Lutefisk Tent

Believe it or not, lutefisk preparations are just around the corner. For those who have not participated, putting up and taking down the tent is a real chore and several poles were bent by the heavy wind and rain last year. **Dave Melius** straightened the poles as best he could but it would be a blessing to replace the tent with something more manageable. To the rescue, **Fred Hymans** has offered to contribute a 10x20' tent that he no longer uses. This is similar to the tents seen at farmer's markets which are much easier to set up, take down and store than what we have now. With sufficient tie downs, we hope that the new tent will work well and be a boon to lutefisk activities. Thank you Fred!!

President*

Our Nordic Boutique will also be open during the luncheon with Scandinavian gift items and *lefse*. We hope to see you there!

Reminder... the Solveig Club is always looking for donations of usable "white elephant" items for sale at our Lutefisk Dinner Bazaar. FROM SONS OF NORWAY INTERNATIONAL

The Sons of Norway Foundation Board of Governors has three openings and is seeking applicants for 2 year terms beginning in November 2013. If you or someone you know is passionate about the work of the Foundation, you are encouraged to apply or seek additional information from Cindy Olson, Foundation Director, at Sons of Norway International.

Sons of Norway International has expressed its appreciation for the response from Sons of Norway members to our Senators in support of maintaining the tax exemption for fraternal life insurance companies/fraternal organizations. A total of 1700 Sons of Norway members sent letters to their senators. A number of our own members participated and their efforts are appreciated. There certainly is a need to keep tabs on this situation in Washington.

August Business Meeting Recap:

The Friday, August 9 business meeting began at 7:00 PM... adhering to the new schedule. A socially-minded group gathered together to partake of a special treat... ice cream sundaes. With many choices of toppings for the ice cream, it was a delicious way to begin.

About 7:30 the group was entertained with a slide presentation from the trip of **Lois and Marvin Bertelson**. Along with Marvin's comments of the slides was **Bruce Fihe** who moved the slides along using the computer. Following the photos of southern Norway, the group saw the slides of the trip to England. The business meeting then began at 8:00 PM.

Sincerely,

Elaine Edwards, Social Director
