

**Student Essay Supplement
for Northeastern University Summer STEM Program**

Name of Student _____

Directions to student:

Please write a response to the following prompt below. When finished, please give to either your math or science teacher to be sent with one of your recommendation letters. We will NOT be accepting letters e-mailed to us. This essay can be typed or hand-written.

Directions to teachers:

This essay has been given to you in addition to a recommendation form to apply for Northeastern University's Summer STEM Program. Please be sure to verify this is the writing of the student and include this form in the final compilation of materials you either return to the parent or directly send to Claire Duggan, 153 Snell Engineering, Northeastern University, 360 Huntington Ave, Boston, MA 02115.

I certify that the essay below is the original work of the student, and that an essay written by another party will lead to immediate disqualification in participation of Northeastern University Summer STEM Program.

Prompt:

In 250-500 words, please tell the selection committee why you are interested in attending the 2016 Northeastern University Summer STEM Program. Include in your essay what you hope to gain from this experience, how you think it will help you in the future and why you think you should be selected to attend this camp.
