This Memorandum of Agreement made and entered into this _____ day of March, 2004 in _____, Philippines by and between:

The **DELEGATION OF THE EUROPEAN COMMISSION TO THE PHILIPPINES** with office address at 7/F, Salustiana D. Ty Tower, 104 Paseo de Roxas cor. Perea Street, Legaspi Village, Makati City, represented herein by the Ambassador and Head of Delegation, MR. JAN de KOK, hereinafter referred to as "**EC**";

- and -

The **DEPARTMENT OF AGRICULTURE**, a government agency organized and existing under the laws of the Republic of the Philippines, with its principal office at Elliptical Road, Diliman, Quezon City, Metro Manila, Philippines, duly represented herein by its Secretary, HONORABLE LUIS P. LORENZO JR. hereinafter referred to as '**DA**';

- and -

The **LANDBANK OF THE PHILIPPINES**, a government financing institution, organized and existing by virtue of the Republic Act No. 3844, as amended, with principal office address at LANDBANK Plaza, 1598 M.H. Del Pilar corner Dr. J. Quintos Sts., Malate, Metro Manila, represented herein by its President, HONORABLE MARGARITO B. TEVES, hereinafter referred to as '**LANDBANK**';

- and -

The **UPLAND DEVELOPMENT PROGRAMME**, a special project of the **DA** jointly funded by the Government of the Philippines and European Community (EC), with office at G/F Building One, A. Angliongto Avenue (Mamay Road), Lanang, Davao City, duly represented herein by the Co-Directors, MESSRS. DASHIEL P. INDELIBLE and WIEBE VAN RIJ hereinafter referred to as '**UDP**'

WITNESSETH: That

WHEREAS, UDP, is a special project of the DA jointly funded by the Government of the Philippines and EC, which intends, among others, to help address the problem of poor access to financial services by the farm households in the upland communities over a 7-year period commencing in January 1999; UDP was established following the signature of a Financing Agreement between EC and GOP dated 20 October 1998.

WHEREAS, UDP is a directed credit program (DCP) under RA 8435 of the Agriculture and Fisheries Modernization Act (AFMA) of 1997 which provides for the rationalization and consolidation of all DCPs into the Agro-Industry Modernization Credit and Financing Program (AMCFP);

WHEREAS, UDP implements Rural Finance Services (RFS) component through its 12 Partner Financial Institutions (PFIs): six (6) cooperatives, five (5) rural banks and one (1) coop bank that, since mid 2000, have embarked on organizing and capacitating sitio-based Savings and Loan Groups (SLGs) and barangays-level Financial Service Centers (FSC) in their respective areas of operation;

WHEREAS, UDP has acknowledged that its collaborating PFI's are providing, as a long-term stratagem in the uplands, financial services in UDP areas using an Upland Development Loan Fund (UDLF);

WHEREAS, DA and EC have recognized further that upland communities will need lasting credit funds that will finance the long-term progress of agri-based enterprises in the uplands;

WHEREAS, the DA and EC have the intention to transfer the EC RFS funds to the beneficiaries.

WHEREAS, DA and EC recognize the importance of making RFS, compliant with Republic Act 8435 otherwise known as Agriculture and Fisheries Modernization Act or AFMA.

WHEREAS, for the above reasons, DA and EC therefore intend to make the RFS, presently being implemented by PFI's, consistent with the national policy structure so it can continue to function even after the closure of UDP;

WHEREAS, DA and EC agreed to put up a trust fund with the Land Bank of the Philippines (LANDBANK) to facilitate the continued servicing of the PFIs and FSCs in Southern Mindanao in line with the RFS concept. This trust fund is deemed to be consistent with the provisions of the AMCFP, required under Republic Act 8435 otherwise known as Agriculture and Fisheries Modernization Act or AFMA;

WHEREAS, EC and DA consider the LANDBANK as the principal government financial institution (GFI) for agriculture and hereby expected to be the administrator of the Upland Development Trust Fund (UDTF), upon signature of the trust agreement;

WHEREAS, LANDBANK, as mandated by law, has already implemented innovative financial schemes and to ensure sustainability is engaging in a partnership with the EC in the uplands to maintain timely and appropriate financial assistance geared towards the economic development of the countryside;

WHEREAS, sharing a vision to alleviate the economic condition of upland communities in Southern Mindanao, LANDBANK agreed to support the delivery of credit and institution building services in accordance with the existing delivery infrastructure or present field units of LANDBANK;

NOW THEREFORE, for and in consideration of the foregoing premises, and of the mutual covenants hereinafter set forth, the four- (4) parties have agreed as follows:

A. THE UPLAND DEVELOPMENT TRUST FUND

1. The Program shall be called Upland Development Trust Fund, hereafter referred to as UDTF.

2. UDTF seeks to:

PFI Level:

- (a) Enhance productivity and efficiency of the existing 12 PFIs and possibly other appropriate PFIs in servicing the financial needs of upland communities;
- (b) Improve financial management systems of PFIs; and
- (c) Ensure financial self-sustainability of PFIs for its operations in the uplands.

FSC Level

- (a) Improve the operations of selected FSCs in the areas of (i) membership, (ii) CBU and savings mobilization, (iii) leadership and management, (iv) financial management and controls and (v) enterprise development;
- (b) Install effective management information system; and
- (c) Transform selected FSCs as viable and properly registered financial retailers in the uplands.

Household Level:

- (a) Improve productivity and income levels of upland households; and
- (b) Increase the net worth/capital base of upland families.

3. UDTF has two (2) interrelated components:

- (a) Credit Delivery Component- provide loans to qualified PFIs, FSCs and other lending conduits accredited by LANDBANK.
 - (b) Institution Building (IB) Component – build up capacities of PFIs and FSCs based on established cooperative models of LANDBANK as well as other village banking prototypes developed by various self-help promoting institutions specifically for remote and at times inaccessible upland areas.
4. IB funds shall be provided as grants and divided into two, namely: (a) Financial Technology and Support Services (FTSS) which are in the form of trainings, action researches and consultancies; and (b) Institutional funds which shall finance the procurement of software and other assets related to MIS as well as on an exceptional basis, to be authorized by the trustor, equipments that will enhance productivity and efficiency of PFIs, FSCs and other lending conduits.

B. IMPLEMENTATION OF THE UPLAND DEVELOPMENT TRUST FUND

1. To finance the UDTF, UDP shall make available loan funds and capacity building funds at no cost to LANDBANK;
2. UDTF shall be set up as a sustainable arrangement for long-term utilization of credit funds in accordance with the provisions of AFMA/EO 138. UDTF shall have various innovative financing schemes (IFS) that will enhance capacity of upland communities to generate sufficient economic activities and revenue to make it profitable for PFIs to service them.
3. UDP shall release Program funds to LANDBANK upon approval of UDP's Annual Work Plan and Budget (AWP/B).
4. LANDBANK shall wholesale the loan funds initially to 12 existing PFIs and later on to other additional PFIs or lending conduits in accordance with UDTF implementing guidelines and using the lending procedures and field units of LANDBANK.
5. LANDBANK shall likewise disburse capacity building funds provided by UDP based on the beneficiaries' needs, LANDBANK and UDP's assessment, in the framework of a work plan on institution building program for PFIs and FSCs, approved by UDP.
6. The LANDBANK shall bear no credit risks and be entitled to 6% of its actual loan collections under the program as service fees. LANDBANK shall assume credit risks only when they start using own bank funds by late 2005 although the LANDBANK shall endeavor to use own funds if it has already gained confidence in lending to upland households earlier than 2005. LANDBANK shall use its own funds to continue extending credit to the target clientele of UDP after UDP closure.

7. The Program funds entrusted to LANDBANK shall generate earnings in two ways: (a) Based on prevailing LANDBANK rate, but no lower than 14% per annum and (b) Earnings from unused fund balances of both IB and loan funds which are subject to short-term (temporary) placements in risk-free and high-yielding government securities. From the above-mentioned interest rate a) 4 % shall be set aside for loan losses provision and return to the loan fund, and (b) the administrative/operating expenses and trust fee charges of LANDBANK shall be deducted. The remaining balance shall be allocated to the IB fund. The aforesaid interest rates can be reviewed and the share of loan loss provision and IB can be revised by UDP, if need be in consultation with the UDTF Steering Committee.
8. LANDBANK receives for the implementation and management of the credit and IB funds service fees based on 6% of its actual loan collections and attendant trust fees of 0.5% from the earnings of unused loan and IB funds balances. These fees do not cover the costs of the IB Secretariat mentioned under point E.4, which will be financed separately from the IB funds until the end of UDP and then be taken over by LANDBANK in the event of the continuation of this agreement.
9. For 2004, upon approval of the UDP Annual Workplan and Budget (AWP/B), and after the signature of the trust agreement, UDP shall initially release Program funds amounting to P30 million, of which P25 million shall be used as credit funds and P5 million for PFI/FSC capacity building purposes. The LANDBANK shall have additional credit funds which shall come from reflows from P20 million loan funds already disbursed to PFIs/FSCs prior to this agreement.
10. At present the UDP funds with PFIs are investment contributions to the Upland Development Loan Fund (UDLF). Each PFI manages a UDLF. As remuneration for their services, the PFIs deduct 3% management fees from the earnings of UDLF. However, upon participation of LANDBANK, these PFI's shall not receive anymore management fees but get their income from their margin (interest spread) when retailing the loans to their clients. In this regard, PFIs shall be accorded with at least a six- (6) month's transition period to adjust, from the date this agreement comes into force.
11. LANDBANK shall endeavor to lend the P25 million to eligible beneficiaries within the first year after signing of this agreement. As a risk-reducing measure, LANDBANK may propose the risk guarantee coverage of Quedan Corporation to its conduits exposed to high risks associated with lending to upland households. However, no discrimination shall be made against conduits, which do not request such coverage.
12. LANDBANK reserves the right to screen the present PFIs and FSCs. It shall continue capacity building for PFIs/FSC even after the technical life of UDP provided PFIs/FSCs are able to meet the usual performance standard of LANDBANK.

C. ADMINISTRATION OF UDFP

1. EC through UDP shall remain to be the legal owner of credit and IB up to the end of the term of the program. LANDBANK shall be entrusted the administration of UDTF through a Trust Agreement, whereas the LANDBANK manages the funds following the principles of Sound Financial Management.
2. For this purpose, LANDBANK shall open two (2) Trust Accounts which shall be the repository of loan funds including principal collections (Trust Account **A**) and capacity-building funds released to the borrowers/ beneficiaries (Trust Account **B**).
3. No later than six (6) months prior to closure of UDP, the Government of the Philippines (GOP) and the European Commission (EC) shall jointly decide on the need for continued management and use of UDP funds upon expiration of UDP. The future option shall be consistent with the program's objectives and ensure the sustainability of its results. In order to ensure a smooth transition and avoid disrupting the provision of financial services and jeopardizing the projects results, the GOP and EC will decide on the continuation of this MOA and the UDTF sufficiently in advance of UDP's closure.
4. Upon results of independent assessment that the objectives of the program have not been met, the EC and GOP shall endeavor to collect all UDP funds and remit it back to program funds. The final decision by GOP and EC about the destination of the program funds will take into account the results and lessons learned.
5. LANDBANK in tandem with PFIs/FSC s shall workout appropriate legal verifications of loan documents pertinent to UDTF funds, which shall be made available for review or audit by UDP and/or Commission of Audit (COA).
