Acceptance of late assignments prior to the summative assessment will be accepted upon the discretion of the teacher. Late assignments accepted, will be documented as such on RenWeb and will not receive a penalty for being late. Please fill out the appropriate form for late work prior to turning it in.
- Formative and summative assessments may be re-taken, upon the discretion of the teacher. A formative or summative assessment may be re-taken up to 2 weeks after it has been handed back by the teacher. A re-take form must be submitted with the original graded assignment to the teacher for approval. After 2 weeks, the assessment may not be re-taken.
- FINAL EXAMS CANNOT BE RE-TAKEN.
- Please notify the office if any accommodations are necessary.
- Students are responsible for all behavior and are held accountable for all actions. Disrespect and disruptive behavior will not be tolerated in class. Please refer to the Academy Student Handbook for more details.
