4. Fixation of Pay in the revised pay.- The initial pay of an employee who elects to be governed by the revised pay from $1^{\text {st }}$ December 2011 shall be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if he had not been suspended and in respect of his pay in the officiating post held by him, in the following manner, namely :--
(a) The total of the following items shall be found out:-
(1)
i. The existing Pay + Grade Pay including Personal Pay in the existing Pay band as on 1-12-2011 or on the date of option.

Explanation:- If the amount so computed includes a part of a rupee, it shall be rounded off to the next multiple of 10 .
iii. In addition to the pay in the pay band, Grade Pay corresponding to the existing pay will be payable.
(2) (a) Fitment Tables for the various stages of the existing pay based on the above formula are given in Appendix.
(b) Even when an employee who exercised option for pay fixation in the revised pay on the date other than 01.12.2011, fixation of pay in the revised pay shall be allowed only in accordance with the Fitment Tables. However, in respect of employees drawing Pay and Personal Pay, fixation shall be allowed based on the actual working without referring to the Fitment Tables.
(c) Where the difference between the revised and existing Pay + Grade Pay and Dearness Allowance is less than Rs.700/-, the pay in the Revised Pay shall be fixed at such stage that the difference is not less than Rs.700/-.
(3) After fitment, a Service Weightage of one increment @ 3\% of Pay + Grade Pay shall be allowed to those who have completed 10 years of regular service as on 01.12.2011, which will count for normal increment.
(a) The Service Weightage of one increment shall also be allowed to those who are completing 10 years of completed regular service during the period between 01.12.2011 and 9.1.2014 (i.e. the date of settlement) which will count for normal increment, if they opt to come over to the revised pay on the date of completion of 10 years of service during the above said period. In such cases, they have to forego the arrears upto the date of revised pay fixation.
(b) In the case of employees absorbed by the Board from the Government Departments or other organizations on permanent basis, the regular service in their parent department or organization as the case may be, shall be taken into account for allowing Service Weightage after fixation of pay in the revised pay if that service counts for increment in their parent department or organization as the case may be.
(c) The emergency or temporary work charged or contingency service in a time scale of pay rendered by an employee, if already counted for increment shall be reckoned as regular completed service for the purpose of allowing service weightage. The service rendered as Trainee or on consolidated pay shall be reckoned as regular completed service for the purpose of allowing service weightage.
(4) The pay of an employee appointed to the service in the TANGEDCO for the first time on or after 01.12.2011 and before 9.1.2014 (i.e. the date of settlement), his pay on the date of joining service shall be fixed as per the regulation 4(1) with effect from the date of his joining service.
(5) If the pay as fixed in the officiating post under sub-regulation (1) is lower than the pay fixed in the substantive post, it shall be fixed at the stage next above the substantive pay.

NOTE: If an employee officiating in a higher post has not been confirmed in the lower post from which he has been promoted to the present officiating higher post and put in not less than five completed years of service in such lower post, his pay in such lower post, shall be deemed to be substantive pay only for the above provisions.
(6) If an employee is confirmed in a lower post which he held in an officiating capacity previously with retrospective effect from a date prior to 01.12.2011, he shall be entitled to have his substantive pay in that post refixed on 01.12.2011 and also to have his pay refixed in the higher officiating post which he actually held on 01.12.2011 at the stage next above substantive pay.
(7) If an employee is on leave on $1^{\text {st }}$ December 2011, he shall be entitled to the revised pay from that date, but the pay so fixed in the revised pay shall be admissible to him only from the date of his return to duty in the post after the expiry of leave and the period commencing on the $1^{\text {st }}$ December 2011 and ending with the date of such return will count for future increment in the revised pay depending on whether it will count for future increments in the existing pay.
(8) Similarly where an employee is on study leave on the first day of December, 2011, he will be entitled to the benefits under these Rules from 01.12.2011 or the date of option.
(9) An employee who on $1^{\text {st }}$ December 2011 is on leave preparatory to retirement, shall be entitled to choose his pay either in his substantive post or in the officiating post in the revised pay for the purpose of computing his gratuity and pension.
(10)(a)If an employee was under reduction of pay or stoppage of increment as a punishment on the $1^{\text {st }}$ December 2011, his pay shall be fixed in the revised pay on the basis of present emoluments he drew on the $1^{\text {st }}$ December 2011 and he shall
continue to draw the pay so fixed in the revised pay till the expiry of the period of punishment. His pay in the revised pay shall be refixed immediately following the date of expiry of the period of punishment with reference to the present emoluments which he would have drawn on the $1^{\text {st }}$ December, 2011 taking the fact into consideration whether the punishment awarded is with or without cumulative effect.
(b)If, for instance, an employee's increment falling due on the $1^{\text {st }}$ July, 2011 had been postponed for a year without cumulative effect, his actual pay as on $1^{\text {st }}$ December, 2011 would be the basis for determination of his revised pay with effect from $1^{\text {st }}$ December, 2011 and the pay so fixed shall be in force upto the $30^{\text {th }}$ June 2012. However, for purpose of determination of his pay with effect from $1^{\text {st }}$ July 2012, his pay on the $1^{\text {st }}$ December, 2011 shall be refixed notionally based on the pay which he would have received on the $1^{\text {st }}$ December 2011 but for his punishment and he shall get the next increment on the $1^{\text {st }}$ July 2012 from that stage.
(c)If, however, the penalty of stoppage of increment due on the $1^{\text {st }}$ July, 2011 had been awarded with cumulative effect, the revised pay shall be fixed based on the actual pay as on the $1^{\text {st }}$ December 2011. There shall be no re-fixation of pay in this case.
(11) If an employee is under suspension on the $1^{\text {st }}$ December 2011, or if he was discharged or reverted from a post before that date and is reappointed to that post after that date, he shall be entitled to the revised pay only from the date on which he returns to duty in the post or from the date of his reappointment to that post.
(12) An employee who was promoted between 01.12.2011 and 9.1.2014 or promoted prior to 01.12.2011, and opted for fixation of pay on the date of his next increment falling subsequent to 01.12.2011, shall be permitted to revise his earlier option for fixation of pay in the promoted post, within a period of three months from the date of fixation of pay in the revised pay.

## 5. Rectification of anomaly of Junior getting more pay than Senior.-

(1) In cases where a senior employee appointed to a higher post before the $1^{\text {st }}$ day of December, 2011 draws less pay in the revised pay than his junior who is appointed to the higher post on or after the $1^{\text {st }}$ December, 2011, the pay in the pay band of the senior employee shall be stepped up to an amount equal to the pay in the pay band as fixed for his junior in that higher post. The stepping up should be done with effect
from the date of appointment of the junior subject to the fulfillment of the following conditions, namely:--
(a) both the junior and the senior employees shall belong to the same category and should have been promoted to the same post;
(b) the pay along with Grade Pay of the lower and higher posts to which they are entitled to draw pay should be identical; and
(c) the senior employee at the time of promotion should have been drawing equal or more pay than the junior.
(2) The anomaly should have arisen directly as a result of the introduction of the revised pay.
(3) In cases where an employee who had drawn incentive increments and drawn more pay than his junior prior to $1^{\text {st }}$ December 2011 draws less pay than his junior consequent on the sanction of incentive increment to the junior for acquiring same higher or special qualification after implementation of the revision of pay, the pay of the senior may be stepped up to the level of the junior from the date from which the junior draws such higher pay.

NOTE: If, in the lower post, the junior employee was drawing more pay in the pre-revised pay than the senior by virtue of any advance increment granted to him or due to increased service weightage to the junior or due to loss of increment to the senior, the senior to such junior shall have no claim for stepping up in such cases.

## 6. Rate of I ncrement in the Revised Pay.-

The rate of increment in the revised pay shall be $3 \%$ of the sum of pay in the Pay Band and Grade Pay applicable which shall be rounded off to the next multiple of 10. The amount of increment shall be added to the existing pay in the Pay Band. While calculation of increment under the revised pay, fraction of a rupee (i.e. 99 paise and below) should be ignored. But, any amount of a rupee or more should be rounded off to the next multiple of 10 .

## 7. Date of Annual Increments in the Revised Pay.-

(i) The employees shall be permitted to draw their annual increment in the revised pay in four quarters admissible in the existing of pay as the case may be viz. $1^{\text {st }}$ January, $1^{\text {st }}$ April, $1^{\text {st }}$ July and $1^{\text {st }}$ October.
(ii) The next increment of an employee in the revised pay shall be granted on the date he would have drawn increment had he continued in the existing pay.
(iii) If an employee draws his next increment in the revised pay under Sub-Regulation (1) above and thereby becomes eligible for higher pay than his senior whose next increment falls due at a later date, then the pay of such senior shall be refixed equal to the pay of the junior from the date on which the junior becomes entitled to higher pay subject to satisfaction of usual conditions for rectification of pay anomaly and also subject to the condition that both the senior and junior should or should not have drawn service weightage.

NOTE: In case where the pay of an employee is stepped up in terms of sub-regulation (iii) above, the next increment shall be granted after completion of requisite qualifying service.
(iv) In the case of an employee who reaches the maximum of the Pay Band, stagnation increments beyond the maximum of Pay shall be allowed at the rate of increment (i.e.@ 3\%) last drawn annually without maximum limit.
(v) In the case of employees who have elected to remain in the existing pay until the date of movement to Selection Grade, the next increment after fixation shall be granted in the revised Pay on the normal date in which he would have drawn the increment had he continued in the existing pay.

(i) Where an employee is under suspension on the $1^{\text {st }}$ December 2011, the option shall be exercised within three months from the date of his return to duty if that date is later than the last date prescribed in this sub-regulation (2).
(ii) The option once exercised shall be final.
(iii) If an employee opts to remain in the existing pay for a specified period, he shall be entitled to draw pay in the existing pay during that period and also the amount of dearness allowance and other allowances at the existing rates and his pay shall be fixed in the revised pay at the end of the period specified in accordance with the provisions under these Regulations.

This will be added to the existing pay in the pay band. The difference in Grade Pay corresponding to the promotion post and the feeder post will thereafter be granted in addition to this pay in the pay band. However, if the pay in the pay band after addition of the increment is less than the minimum of the higher pay band to which promotion is taking place, pay in the pay band will be stepped to such minimum.

The pay of an employee appointed or promoted to a post on or after $1^{\text {st }}$ December, 2011, shall be fixed in the following manner:
(i) If he was holding a post on $1^{\text {st }}$ December 2011 and was promoted or appointed to another post subsequently, his pay in the old post shall be fixed as on $1^{\text {st }}$ December 2011 under Sub-regulation 4(1) of this regulation in the revised pay and then his pay in the post which he held subsequent to $1^{\text {st }}$ December 2011 fixed in the appropriate revised pay as per orders in force.
