By signing below, I understand that grades for Garza On-Line are regularly weighted grades (4.0 scale) for high school courses, not for honors courses, and that once a passing grade is attained, that score will be the grade for the course, recorded on the transcript, and figured into GPA. If a student obtains credit through Garza On-line for a course in which there is a STAAR EOC exam, the student must take the corresponding EOC exam at their campus and all EOC guidelines apply. Furthermore, by signing below, I understand that courses may receive special equipment or tools. Upon completion or withdrawal from the course, all equipment or tools must be returned.
