There is no cost for an electrical contractor or their employees to attend the event. However, in order to properly accommodate everyone, an accurate headcount for the facility is necessary. If the individual is attending the CEU class please put (CEU) after their name. CEU classes are limited to the first 75 licensed individuals who register. Should the published CEU class fill, additional classes will be added as needed. Below please list the names of all company attendees:

Circle One: September 30, Teaneck OR October 7, Cherry Hill
