WINTER COLLECTION FUND RAISING PROGRAM

• **SEE'S GUARANTEE:** We guarantee full and complete satisfaction on all shipments to arrive in perfect condition at the address to which originally shipped.

FUND RAISING TERMS AND TIPS

Display: Products may be displayed in retail businesses provided that the proper signage accompanies the display. Proper signage includes: See's Product Flyer with "Sponsored By" section completed, or other See's printed material. Any other signage must be approved in advance, in writing by See's Candies. Candy must be displayed on shelves, table tops or other standard display units, in a designated "See's Candies Fund Raising" section, along with identifying signage. Display area must be clean, free of dust, cool (60° - 72° F) and well ventilated. Your display location is subject to approval by See's Candies.

Advertising: Advertising may be done through school or club newsletter, local paper, radio and flyers. It must be clearly stated that this is a fund raising project for your school, non-profit or charitable organization. All advertising copy must be approved in writing by See's Candies.

Receiving the Candy Shipment: Immediately verify the number of cartons you receive against the sheet the carrier has you sign. BEFORE any distribution is made, check for damage, shortages or wrong assortments. Any error of this type must be reported to the Customer Service Center at **1-800-877-7337** within 24 hours. Unless this is done, we cannot be responsible for making any adjustments.

Sorting the Order: Sort candy by type in the same order as listed on order form. Write the total count for each item on your packing slip/worksheet. Note any discrepancies and contact See's Customer Service at **1-800-877-7337**.

Distributing the Order: Work in teams. Assign one person to read the orders while a second person pulls the items. Then double-check the items for that order. Do not distribute candy until you have put all the orders together. If you had no discrepancies when you first received delivery, mistakes found now would mean a mistake was made in putting together the individual customer's orders.
