

# Canadian Youth Environmental Leadership SCHOLARSHIP

The Canadian Youth  
Environmental Leadership  
Scholarship is supported by:

The Canadian Youth Environmental Leadership Scholarship will contribute to the advancement of new ideas and new ways of thinking when it comes to protecting the environment by supporting students who demonstrate a commitment to leadership and the environment. The Scholarship will be awarded to two Canadian students who have completed at least two years of an undergraduate program and who best combine academic achievement with public environmental service.

## Scholarship details

- Each scholarship recipient will be awarded \$5,000
- Opportunity for paid summer employment at either Cenovus Energy, The Delphi Group, ARC, or other sponsoring organizations for first and second place finalists
- Mentorship opportunities
- Invitations (and possible stipends) to annual gatherings, networking opportunities and events

## Application process

### Applicants

- Submit your application and nomination form by November 29, 2013 by mail or email to Canadian Youth Environmental Leadership Scholarship (details on application and nomination forms)
- Provide a short, 500 word essay outlining your passion for the environment; activities regarding environmental leadership, protection, and learning; as well as your future career plans
- Include a brief resume outlining your involvement in environmental protection, conservation and advocacy activities
- Include a nomination letter from your dean, another faculty representative or community leader

### Nominators

- Complete the nomination form
- Provide an explanation of the leadership and/or innovation the student has shown in their studies or community work with regard to environmental knowledge and protection

## Selection process

- Qualified applicants will be contacted for an interview by a committee of employees from participating sponsor companies
- The committee will select the first and second place finalists based on the best combination of academic success and public environmental service – action, advocacy, and volunteer activities
- Scholarship recipients will be announced by March 2014

## Qualifications

- Applicants must be Canadian citizens, permanent residents or landed immigrants studying at a Canadian university or college
- Applicants must have completed at least two years of an undergraduate program
- Applicants must demonstrate dedication and leadership in the community and a commitment to tackle environmental issues
