

September 2012

Dear Schmitz Park School Students and Families:

This letter is to provide you notice that students at Schmitz Park School may be photographed and/or interviewed by news media during the course of the 2012-2013 school years. Please indicate below if you have any objection to your student being photographed and/or interviewed by news media, and return this form to the office.

Please note that marking "no" on this form will not prevent news media from photographing and/or interviewing students at public events, such as sporting events and performances, or prevent them from being photographed or interviewed off campus.

Sincerely,

Gerrit Kischner
Principal, Schmitz Park School

- YES, news media can name my student in photographs and/or interviews
- YES, news media can photograph or interview my student anonymously in group settings
- NO, news media cannot photograph or interview my student and all reasonable measures should be taken to protect my student's privacy
