In the event the administration determines that it is not in the best interests of the student, fellow students, or the School for the student to continue, the administration may suspend the student or require the student's withdrawal or dismissal. The decision of the administration shall be final; any such decision shall not relieve the undersigned of the obligation to pay the full tuition for the entire 2010-2011 academic year.
- 2) I agree that the student named above may take part in all School sports and activities and may take any School-sponsored trip; and the School may use my child's photograph in various school newsletters, website, and admissions ads and brochures, and may use my child's name and photograph in press releases announcing honor roll, or other activities or honors of distinction, unless I give written notice to restrict such activities and usage.
