HIGH EFFICIENCY FURNACES

General Requirements for High Efficiency Furnace Cash-Back Rewards:

- Furnaces must be a sealed combustion unit.
- Furnaces must be the primary heating source for the home's living space.
- Chimney liners must be installed where a high-efficiency gas furnace replaces an atmospherically-drafted furnace and only a water heater remains vented through the chimney. The interior opening left by the removed furnace must be closed with a metal cap and sealed with caulk or mortar.

90% AFUE Furnace with Electronically Commutated Motor (ECM), Natural Gas, Propane, or Oil-Fired - \$850 Cash-Back Reward:

- Furnace must have an Annual Fuel Utilization Efficiency (AFUE) of 90% or greater.
- Must be customer of a participating electric utility.
- Furnaces must have a multi-stage burner and a variable-speed (ECM) blower motor (Permanent Split Capacitor or multi-speed motors are not eligible).
- Natural gas, propane, and oil-fired furnaces are eligible. Electric furnaces are not eligible.

90% AFUE Natural Gas Furnace - \$475 Cash-Back Reward:

- Furnace must have an AFUE of 90% or greater.
- Must be customer of a participating natural gas utility.
- Only natural gas furnaces are eligible.

HIGH EFFICIENCY FURNACE AND AIR CONDITIONER COMBINATION

Requirements for 95% AFUE Natural Gas Furnace with ECM and 16 SEER Central Air Conditioner - \$1,500 Cash-Back Reward:

- Furnaces must have a multi-stage burner and a variable-speed (ECM) blower motor (Permanent Split Capacitor or multi-speed motors are not eligible).
- Qualified furnace and air conditioner must be installed at the same time and may not be combined with Cash-Back Rewards listed above.
- Combination Cash-Back Reward is not available with furnaces that were previously installed.
- If installing a qualified furnace and air conditioner and the condenser cannot be set due to weather:
 - The evaporator coil must be installed at the same time as the furnace.
 - The invoice must include the condenser model and state that the equipment will be installed in the spring.
 - The reward application must be submitted within 90 days of the furnace and evaporator coil installation.
- Furnaces must be a sealed combustion unit.
- Furnaces must be the primary heating source for the home's living space.
- Chimney liners must be installed where a high-efficiency gas furnace replaces an atmospherically-drafted furnace and only a water heater remains vented through the chimney. The interior opening left by the removed furnace must be closed with a metal cap and sealed with caulk or mortar.
- Furnace must have an AFUE of 95% or greater.
- Seasonal Energy Efficiency Ratio (SEER) for the combination of furnace, outdoor unit (condenser), and indoor coil must be 16 or greater.
- SEER is determined by the Air Conditioning, Heating, and Refrigeration Institute (AHRI) database. An AHRI number for the system is required and can be found at ahridirectory.org.
- Must be customer of a participating electric utility and a participating natural gas utility and use natural gas for home heating.
- Only natural gas furnaces are eligible.

HIGH EFFICIENCY BOILERS

Requirements for Natural Gas Home Heating Boiler 90% AFUE - \$750 Cash-Back Reward:

- Boiler must have an AFUE of 90% or greater and an Input Capacity less than 300 MBH (Thousand British Thermal Units per hour).
- Must be customer of participating natural gas utility and use natural gas for home heating. Boilers must be the primary heating source for the home's living space. Only natural gas boilers are eligible.
- Boilers must have a modulating burner, and include an integrated outdoor-air reset control (integrated or added to the system).
- Boilers must be a sealed-combustion unit.
- Chimney liners must be installed where a high-efficiency gas boiler replaces an atmospherically-drafted boiler and only a water heater remains vented through the chimney. The interior opening left by the removed boiler must be closed with a metal cap and sealed with caulk or mortar.

OFFER AVAILABILITY

- Cash-Back Rewards on this application are only available for account holders of a participating utility who meet income eligibility requirements. Only residential Wisconsin customers are eligible.
- Income verification must be completed prior to payment of a Cash-Back Reward. Applicants are strongly encouraged to complete the Income Eligibility Application prior to purchasing and installing equipment to ensure eligibility. Call 800.762.7077 or visit focusenergy.com to verify eligibility.
- Applicants who are not eligible for the Enhanced Rewards Program will be denied the Cash-Back Rewards listed on this application. Applicants who do not qualify may be eligible for the Residential Rewards Program. Ineligible applicants will be contacted following review of the Reward and Income Eligibility Applications to determine eligibility for other Cash-Back Rewards.
- Offer is valid for equipment purchased and installed between January 1, 2013 and May 31, 2013. Updated applications will be available June 1, 2013 at focusenergy.com
- Cash-Back Rewards may not exceed the total purchase price of the energy efficient equipment. The only costs eligible for Cash-Back Rewards are: Materials; Equipment; External Labor.
- Allow approximately 8-10 weeks for your completed application to be processed. Incomplete applications cannot be processed. Failure to complete the reward application in full and provide the required supporting documentation will either delay the payment process or result in your application being denied. Receipt of an application does not guarantee payment of a Cash-Back Reward.
- The program is not responsible for items (i.e. reward applications, supporting documentation, reward checks) lost or damaged in the mail.
- Only single family and multifamily dwellings of three or fewer units are eligible for Cash-Back Rewards from the Enhanced Rewards Program. Cash-Back Rewards may be available for other customer or property types. Please visit focusenergy.com for other offerings and applications.
- Focus on Energy will only pay one Cash-Back Reward for each piece of equipment. Cash-Back Rewards paid on this application cannot be claimed on another Focus on Energy application. Similarly, Cash-Back Rewards can only be paid to one person or entity.
- All equipment installations are subject to verification inspection by the program to ensure the equipment is properly installed and operating. Participants must allow, if requested, the program or a program representative reasonable access to their home to verify the installed equipment.

PROGRAM QUALIFICATIONS

You are only eligible to participate in the Enhanced Rewards Program if you are:

- A current residential customer of a participating utility in Wisconsin at the time of equipment purchase and installation and meet the income requirements included in the Enhanced Rewards Program Income Eligibility Application.
 - Installing qualifying energy efficient equipment in an existing residential dwelling. New construction does not qualify.
- Approval of income eligibility is required for the Cash-Back Rewards included in this application, and applicants are strongly encouraged to complete the income eligibility process prior to submitting this application.

Your installation of high efficiency equipment is only eligible for a Cash-Back Reward if:

- It meets all equipment-specific, energy efficiency, and program requirements as outlined in this application.
- It is replacing existing equipment used for the same purposes. Equipment additions to a residential dwelling, which are not replacing existing equipment, do not qualify.
- It is purchased new. Resale equipment, new parts installed in existing equipment, or equipment that is leased, rebuilt, rented, received from insurance claims, received from a warranty, or won as a prize does not qualify.
- Equipment is installed by a professional contractor with appropriate insurance, permits, and licenses. A valid Wisconsin State professional contractor's license or credential is required.
- Equipment is installed conforming to all applicable building, local, state and federal codes, standards, ordinances and regulations, and manufacturer specifications.
- Equipment is installed and operational prior to submittal of this application at the address listed on the application.
- It is installed in a single family dwelling or a multifamily dwelling with three or fewer units.
- It is purchased and installed during the program offering period: January 1, 2013 through May 31, 2013.

To be considered complete and eligible for Cash-Back Rewards, all applications must:

- Be postmarked no later than 90 days after the installation date.
- Be signed by the purchaser (customer, or applicant signing on behalf of the customer).
- Include Itemized Contractor Invoice(s) or Proof of Purchase Receipt(s) containing:
 - Equipment make, model, and serial number
 - Total installed cost (itemized by each equipment/product installed)
 - Total number of units installed
 - Purchase date and installation date (if purchased and installed on separate dates)
 - Professional contractor's business/company name, address, and phone number
 - Balance due of zero, paid in full stamp, or payment terms

FOCUS ON ENERGY GENERAL TERMS AND CONDITIONS

This is a Focus on Energy program application for use by eligible applicants ("Applicant"). Shaw Environmental and Infrastructure, Inc. is the Program Administrator for Focus on Energy ("Program Administrator") and bound by contract to Statewide Energy Efficiency and Renewable Administration, Inc. ("SEERA"). Integrated Resource Solutions Group, LLC is the Program Implementer for Focus on Energy ("Program Implementer") and is bound by contract to Program Administrator. The Program Administrator, Program Implementer, Focus on Energy and the Applicant may be individually referred to herein as a "Party" and collectively as the "Parties".

Section 1. Incentive Offer: This Application covers products purchased and installed between January 1, 2013 and May 31, 2013. Applications must be postmarked within 90 calendar days of installation. Applicants should maintain a copy of this application for their personal records. Incomplete applications will be returned and will not be processed. This application must have complete information and be submitted with proof of purchase such as invoices that clearly itemize the product(s) and/or services(s) received. Purchase orders, proposals and quotes are not considered proof of purchase.

FOCUS ON ENERGY GENERAL TERMS AND CONDITIONS, CONTINUED

Section 2. Marketing: The Applicant shall not use Program Administrator's or SEERA's corporate name, logo, identity, any affiliation, or any related logo including the "Focus on Energy" name, logo, or identity, for any marketing, advertising or solicitation without prior written consent of Focus on Energy. Such written consent may be withheld in Focus on Energy's sole discretion. When referencing Focus on Energy involvement with any project, the Applicant shall collaborate with Focus on Energy to prepare any press release and to plan for any news conference and agrees to provide Focus on Energy, for its written approval prior to publication, a written copy of any advertisements or promotional material regarding this program prior to publishing any such advertisements or promotional material. Focus on Energy reserves the right to publicize the Applicant's participation in the Focus on Energy program unless a written request is submitted to focusonenergy.marketing@shawgrp.com.

Section 3. Program Discretion: Rewards are available on a first-come, first-served basis. This offer is subject to change or termination without notice at the discretion of Focus on Energy. Some Focus participating electric and/or natural gas providers have incentive programs outside of Focus on Energy. Customers of these providers might not qualify for incentives from both programs. These customers should check with their electric and/or natural gas provider to verify eligibility for dual incentives in order to comply with program rules. Focus on Energy excludes internal labor (i.e. non-contracted labor) for private companies or individuals when calculating total project costs.

Applicants who are served by a participating electric provider but not a participating natural gas provider will only qualify for incentives for electric technologies. Applicants who are served by a participating natural gas provider but not a participating electric provider will only qualify for incentives for natural gas technologies. Applicants who have both a qualifying electric provider and a qualifying natural gas provider will qualify for incentives on both electric and natural gas technologies. Applicants who use Liquid Propane (LP) or other non-qualifying fuels will not qualify for incentives for any gas technologies.

Focus on Energy reserves the right to change or discontinue this program at any time without notice. Focus on Energy also reserves the right to withhold incentive payment until identified problems with a project are resolved and to withhold or terminate an incentive payment due to any party's failure to follow any and all applicable terms and conditions, rules, or procedures. The acceptance of incentive applications and qualification of systems is determined solely by Focus on Energy and acceptance of this application does not guarantee payment of an incentive. In the event that SEERA terminates, for any cause, Program Administrator's contract with SEERA, which terminates Program Administrator's right to act as Program Administrator of the Focus on Energy Program, responsibility for this Application shall be transferred to the new Program Administrator.

Section 4. Disclaimers, Representations, and Warranties: Focus on Energy, the Program Administrator, Program Implementer, and SEERA (collectively for this section "Focus on Energy") do not endorse any particular trade ally, manufacturer, product, system, or design by offering an incentive. Focus on Energy is not responsible for any tax liability imposed on the recipient as a result of the payment of incentives. Focus on Energy makes no representation or warranty, and assumes no liability with respect to the quality, safety, performance, or other aspect of any design, consulting, product, system, equipment, or appliance installed or received and expressly disclaims any such representations, warranties, and liability, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. Focus on Energy does not guarantee that installation and operation of incentivized measures will result in reduced energy usage or in cost savings. Focus on Energy is not responsible for the proper disposal/recycling of any waste generated as a result of this project. Focus on Energy is not liable for any damages, including any incidental or consequential damages, arising out of the operation or malfunction of the products, equipment, or appliances, or the installation thereof.

Section 5. Monitoring, Verification, Record Keeping, and Right to Inspect: Focus on Energy evaluates program efficacy by monitoring energy use/production prior to and after installation of your energy efficiency or renewable energy project. Focus on Energy, and its designated representatives, shall have the right to monitor energy use/production prior to and after installation of the project or to perform an inspection of project records or the project itself to evaluate program efficacy for a period of two (2) years from the date of incentive payment. The Applicant's signature on this application provides Focus on Energy approval to obtain energy data directly from your electric and/or natural gas provider(s). The Applicant and its subcontractors shall maintain accurate records of the project work (e.g., installation records, invoices, and maintenance information) that is performed hereunder for a period of two (2) years from the date of incentive payment.

Section 6. Indemnification: Applicants agree to protect, indemnify, defend and hold harmless Focus on Energy, Program Administrator, Program Implementer, SEERA, the State of Wisconsin and participating utilities, their respective affiliates, subsidiaries, parent companies, officers, directors, agents, and employees, against all losses, damages, expenses, fees, costs and liability arising from any program, design, consulting, product, system, equipment, or appliance. The Applicant agrees that such obligations under this section shall survive any expiration or termination of this Application and shall not be limited by any enumeration herein of required insurance coverage. To the maximum extent permitted by law, the Applicant agrees to limit Program Administrator and Program Implementer's liability to the Applicant for any reason to the total amount of the payments identified in this Agreement. This limitation shall apply regardless of the cause of action or legal theory pled or asserted. Applicant hereby expressly waives the right to specifically enforce this Application.

Section 7. Misrepresentation: Making false statements on any Focus on Energy incentive application is punishable by law. Any person who knowingly files an application containing any materially false information or who purposely and misleadingly conceals information commits a fraudulent act that subjects such person to criminal and civil penalties. Any and all funds determined, in Focus on Energy's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be fully returned to the Focus on Energy program. Should the Applicant or its representative apply for and receive duplicate payment, Focus on Energy reserves the right to recover payments made in excess of the entitled Reward. This section shall not limit other remedies that may be available for the filing of false or fraudulent applications.

Section 8: Miscellaneous: (1). Governing Law. This Application shall be governed, construed and enforced in accordance with the internal laws of the State of Wisconsin, without regard to any law of conflicts that may direct the application of the laws of another jurisdiction. The Applicant irrevocably submits to the original jurisdiction of the state and federal courts sitting in Madison, Wisconsin with regard to any controversy in any way relating to the execution, delivery or performance of this Application that is not resolved by Arbitration. Suits, claims or actions founded upon such controversies shall be brought or filed exclusively in such courts and nowhere else. The exclusive venue for any dispute or controversy arising under this Agreement shall be the Dane County, Wisconsin Circuit Court or the Federal District Court for the Western District of Wisconsin.

(2) Compliance with Applicable Laws. The Applicant shall at all times comply with and observe all federal and Wisconsin state laws and published circulars, local laws, ordinances, rules and regulations which are in effect during the period of this Application and which in any manner affect the performance of this Agreement. This Application shall be construed and enforced, in accordance with the laws of the State of Wisconsin and the laws of the United States. All references to statutes or regulations contained in this Application shall be construed to include successors thereto.

(3). Assignment. Focus on Energy may assign, transfer or convey this Application or any of Focus on Energy's rights, obligations, interests or responsibilities hereunder, in whole or in part, without the consent of the Applicant.

(4). Severability. If any provision of this Application is illegal, invalid, or unenforceable under present or future laws effective during the term of this Application, that provision shall be fully severable and this Application shall be construed and enforced as if the illegal, invalid, or unenforceable provision had never comprised a part of this Application. The remaining provisions of this Application shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance. Furthermore, in lieu of such illegal, invalid, or unenforceable provision, this Application shall be reformed to include as a part of this Application a provision as similar in terms to the illegal, invalid, or unenforceable provision as may be possible and still be legal, valid, or enforceable.

(5). Risk of Loss. Focus on Energy, Program Implementer and Program Administrator at no time assumes risk of loss for any personal property of the Applicant.

(6). Waiver. Failure or delay on the part of either party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. A waiver of any default shall not operate as a waiver of any other default or of the same type of default on a future occasion.
