We are hoping that you will take the time to fill out this form (and the Reply Sheet below) and **PLEASE RETURN IT**. This information sheet is an effort to try to stay in touch with all members of the Class of 1961 for future Reunions, classmates news, and events. We will not be releasing this information. The Internet was a big help in locating some of you. Some of you were found after hours/days of chasing/contacting relatives, friends, and too many phone calls around the country to count. We would appreciate any added info that you could provide to assist us in the future. **THANKS**

\_\_\_\_ **Sorry, I can't make it.** If you would like to send a note to the Reunion, use this space or add your own paper. We will make it available to all at the Reunion.
